I want to say thank you to whoever picks up the trash in Lake Panasoffkee for your company because you're the best! I forgot to put my cans out by the edge of the road this morning, but they still pulled up and went to where I store the cans in my yard and grabbed them for me anyways! That is true customer service! They did not have to do that but they did and I 100% appreciate it! I am recommending you to everyone I know that needs trash pickup!

Thanks for being so great!?
