Cypress, Texas-based Torkay Event Services LLC is pleased to announce that it has received a collection of 5-star reviews for providing stellar party equipment rental services in Cypress and the surrounding areas of Harris County. Torkay Event Services LLC is an established, experienced event services production company that offers state-of-the-art equipment, highly trained professionals, and prices to fit every budget.

Torkay Event Services carries everything anyone could need to host a wedding, corporate event, or a small private party. This includes party equipment rentals, such as dinnerware, casino tables, tents, tables, chairs, catering services, and more, but they also have the capability to fully staff an event with a wide array of designated and experienced professionals. A customer may expect their event to be staffed with servers, bartenders, DJs, soloists, face painters, balloon artists, caricature artists, and much more.

The services provided by the locally owned and operated business have earned it a lot of praise from its community. Catherine J. says in her top-rated review published on the company's Google business page,

?Had my 30th birthday party and rented tables, chairs and tablecloths. They arrived in the morning, and they picked up the next day. The bartender was super nice and made sure all my guests were taken care of and kept the line short. The tables and chairs were in great condition, and the lady on the phone was super helpful in helping me decide on tablecloth colors.?

In an excerpt from another positive review, Steve and Jean Burke say, ?I only ordered tables and chairs for a grad party. The online ordering was a breeze, and everything went off without a hitch ? exactly what you want to happen when you rent something and have high expectations of it happening with no troubles.?

Satisfied customer Danielle Tope noted the company's clear-cut communication and reliability. She said, "Torkay helped me with my daughter?s graduation party with very short notice. They delivered and picked up which was a huge help and extremely convenient. They stayed in contact with us so we wouldn?t get nervous about the tables arriving. I would use them every time!!!"

Cameron Torkay, the founder of Torkay Event Services LLC, said, ?Our goal is to bring everything you could need to throw a party under one roof. We can supply it all, whether you are throwing a wedding party or a corporate event. From catering to DJs, videographers, photographers, bartenders, chocolate fountains, photo booths, linens, and everything in between, we have got you covered. We supply all events, carry all vendors, cater to all styles, and accommodate all budgets.?

Those who are interested in renting equipment from the company can do so with a few simple and straightforward steps. A customer needs only to visit the company?s website and enter the relevant details, such as the planned date and time of their event. Following that, they can choose the equipment they require for their party, pay through the convenient online portal, and finalize the details.

Torkay Event Services LLC was established in 1992 as a small DJ company that was doing its best to ensure it could supply anything its customers needed to make their events a success. Over the years, the team has grown into a respected full-service and event rental provider. Today, Torkay Event Services has a staff of over 50 people and has provided high-quality rentals for many parties, corporate gatherings, and other events in Texas.

While the company is based out of Cypress, it provides its services to a number of surrounding areas. Customers in Tomball, Hockley, Magnolia, North West Houston, and so on are welcome to get in touch if they require the company?s expertise for an upcoming event. Torkay said, ?If your party or event is beyond our regular service area, just let us know. We frequently deliver even farther out, and we would be glad to make any special accommodations that you might need to adjust for your specific event needs. The extra fees will vary depending on how far you are outside our service area, but we are always happy to work with our customers.?

Those who want to learn more about Torkay Event Services LLC and the range of industry-leading rentals they provide should visit their website for more information. Event rentals can also be set up through the website. Cameron Torkay encourages interested parties to get in touch with him or an agent of the company via phone or email. Torkay Event Services LLC also maintains a presence on Facebook, Instagram, and YouTube, and encourages potential customers to find them online.
