October 26, 2022 - PRESSADVANTAGE -

Daphne Toy Box Storage is inviting residents in and around Baldwin County, Alabama, to visit its brand-new self-storage facility in Daphne and find out more about its security features, convenient online services, sturdy infrastructure, and affordable pricing.

The locally owned and operated company prides itself on its clean and well-maintained storage units in a variety of size configurations which are within the reach of any budget. The company also offers climate-controlled self-storage units to ensure that renters truly have peace of mind about the long-term health and safety of their personal belongings. Moreover, the company also employs state-of-the-art keyed access control hardware to deter miscreants and malicious actors from entering the property or breaching the storage units.

The killer feature that distinguishes Daphne Toy Box Storage from its local competitors is its robust online service infrastructure. Customers can manage their storage unit with a unique access code from any

internet-connected device of their choice 24 hours a day, 7 days a week. The company's website allows its customers to perform any administrative tasks associated with their rental without having to visit the storage unit. In case a customer needs any more help, they can always contact Daphne Toy Box Storage's friendly staff at (251) 402-4056 or write to it at info@daphnetoyboxstorage.com with their requests or concerns.

Daphne Toy Box Storage has several different self-storage units available for rent. Its outdoor non-climate-controlled units are available in 10 feet by 20 feet and 10 feet by 30 feet configurations and feature large easy-to-use roll-up doors and tons of paved access. Its indoor climate-controlled units are available in 10 feet by 18 feet, 10 feet by 20 feet, and 10 feet by 25 feet configurations and are perfect for items that are sensitive to heat and humidity. The indoor units boast tall ceilings making it easy to stack items in piles up to 8 feet tall.

The company also has indoor boat, car, and RV storage units in 18 feet by 35 feet and 18 feet by 50 feet configurations. They come with electricity and climate control options making them the ideal choice for expensive RVs or vintage cars. There is water access on the exterior of these units to allow customers to clean and care for their vehicles within the unit itself.

A spokesperson for Daphne Toy Box Storage talks about its infrastructure and services by saying, "Our newly built self-storage facilities in Daphne, Alabama, have been developed from the ground up keeping in mind the needs of the modern homeowner or business owner. They have all the features that you would expect from the best self-storage facilities in the nation while also coming in at an extremely affordable price point. The climate-controlled storage units eliminate any concerns that you might have about the longevity of your prized belongings. We also perform regular pest control so that you don't have to worry about your precious memorabilia being damaged by infestations. With 24-hour drive-up access, you can visit us any time to load or unload your storage unit at your convenience. If you are having second thoughts about storing your valuable items with us, visit us once and inspect our onsite security infrastructure for yourself. With 24-hour digital video surveillance and keyed access to the premises, you have nothing to fear."

Daphne Toy Box Storage has received nothing but 5-star reviews from local customers on its Google Business profile. One recent review says, "Great place to store your belongings, well built, secure and easy access. Owner is easy to get a hold of for questions or concerns." Another review praises the customer service by saying, "What a convenient location, brand new, plenty of storage options, and the management are super helpful!"
