Conveyancing Fees Calculator Released By Melbourne Property Conveyancer LEAD Conveyancing Melbourne

October 29, 2022

MELBOURNE, VIC - October 29, 2022 - PRESSADVANTAGE -

Australian property law firm LEAD Conveyancing has released a new conveyancing fee calculator on its website. The calculator makes it extremely easy for website visitors to get a free quote for their property conveyancing needs within 30 seconds.

The LEAD Conveyancing quote calculator appears in a pop-up window when a visitor lands on its website. It can also be accessed by clicking on the Free Quote button at the top right of the website's home page. The calculator offers three modes of inquiry - buying property, selling property, and transferring property. Once a visitor chooses from those three options, they must select whether the property in question is an existing house, unit, or apartment, land only, or an off-the-plan development.

Next, the quote calculator app asks the visitor to select the location of the property. Visitors are then asked to input the postcode or the suburb where the property is located and to add a few descriptive lines about the property that is to be bought, sold, or transferred. Finally, the website asks for the visitor's contact

information before displaying the estimated fee for the conveyancing process according to the details they provided.

The founder and Legal Director of LEAD Conveyancing, Trinh Thai talks about the utility that the free quote calculator provides by saying, "We have 6 locations in Australia. However, our operating mantra here at LEAD Conveyancing is to take conveyancing to the digital age. This means that we minimize our use of paper and can handle every step of the process via email or over the phone. Meetings can be held via video conferencing software and documents can be signed using e-signing technology. This also means that you don't have to visit our offices to benefit from our conveyancing expertise and award-winning customer service. The free quote calculator was designed with the same paperless digital vision in mind. The convenient web app provides us with all the information that we need to get the ball rolling. With the contact information that you provide, we will get in touch with you and help you close the sale or transfer of your property. Head over to our website today and get a free quote for your property conveyancing needs today. You will be pleasantly surprised with the competitive rates we offer, a result of our fully digital workflow that helps us save costs that we pass on to you - our valued clients."

LEAD Conveyancing is loved by its customers for the precise, reliable, and affordable property conveyancing services that it provides all over Australia. The company promises fixed conveyancing fees with no hidden charges and a range of value-added services that can help clients mitigate any unforeseen contingencies. Melbourne property owners and buyers can find out more about the company's conveyancing services in the city and all of Victoria.

LEAD Conveyancing has a near-perfect rating of 4.9 out of 5.0 from almost 300 reviews on its Google My Business and TrustPilot profiles. The PEXA (Property Exchange Australia) certified property law firm has also been awarded the distinction of the Best Customer Service award from WordOfMouth.com for three consecutive years, from 2020 to 2022.
