October 30, 2022

BRISBANE, QLD - October 30, 2022 -
Brisbane City, Queensland based LEAD Conveyancing Brisbane has released a new conveyancing fees calculator for Queensland residents. The team at LEAD Conveyancing has long established themselves as experts in property conveyancing across Queensland.

Kristy Fletcher of LEAD Conveyancing Brisbane says, ?The legal process of transferring property from one owner to another is complicated. It is no surprise that people have trouble understanding it. However, as it involves a legal cost, we believe that everyone has the right to know exactly what their legal fees will be, and we want to make it easy for you to find out. With this in mind, we have released our brand new conveyancing calculator, which will give you your estimated legal costs in as little as 30 seconds so you can make an informed decision.?

Fletcher continues, ?Our goal has always been to make the conveyancing process as easy as it can be for our clients. Buying and selling property is stressful enough without adding extra complexity on top. The

conveyancing calculator is just another step towards our goal in providing our customers with a fully online toolset to make informed conveyancing decisions.?

The team at LEAD Conveyancing Brisbane allow local residents to get easy access to a conveyancing lawyer. Fletcher and the rest of the team at LEAD Conveyancing Brisbane are able to carefully guide their clients through the complex requirements in buying and selling residential properties. The company also provides their services at a fixed fee, and guarantees conveyancing problems will be resolved with the most practical and cost-effective solutions regardless of the client?s needs.

The conveyancing calculator is just one additional convenience that the company offers online. LEAD Conveyancing has worked hard to make the whole conveyancing process digital and make life easier for their clients. There is no paper involved and very little post, since the whole process can be done via email or phone calls. For customers, this means taking a day off to tend to conveyance is a thing of the past. Now, the necessary documents can be signed on the go with e-signing technology, and face-to-face physical meetings can be replaced with online video conferencing. LEAD Conveyancing Brisbane is committed to providing the best service for clients in Brisbane and the surrounding areas.

The many services provided by Kristy Fletcher and the rest of the LEAD Conveyancing Brisbane team has earned the company great praise from their clients. M. Gates writes in their review, ?What I expected to be a straightforward purchase ended up being much more complicated. Angel at Lead Conveyancing was always available to assist and communicated extremely well throughout the process. Having bought and sold many times previously, I was a first time client of Lead Conveyancing, but feel they are worthy of the highest rating.?

In another 5-Star review, A. Hodda writes, ?Amazing service! The team was responsive from the beginning with a quick reply to my request for assistance. They took on our home purchase and provided a quote of fees upfront, so no surprises. Our paralegal, Kristine, was just amazing! Explained everything when we needed and was on top of each step of the purchase process, but the best part was I could hear her genuine excitement for us coming through the phone on settlement day. Such a pleasure to deal with her. The process was made so easy and not an ounce of stress ? we can?t thank LEAD enough!?
