

# Southern Gentleman Land Management, Showcases Land Clearing and Bush Hogging Services With Launch of Their New Website

*October 20, 2022*

October 20, 2022 -
Taylorsville, GA - Southern Gentleman Land Management, a land clearing and bush hogging company, is thrilled to announce the launch of their new website, SGLandManagement.com. The land management company, founded earlier this year by Donald Tardy, provides a variety of landscaping and land management services to North West Georgia.

The website includes information about the company's services, as well as photos and testimonials from satisfied customers. For example, customer Krystopher Logan Snyder had this to say about the company, ?Always shows up on time. They came out the other day and bush hogged my fields behind my house and did a great job. Definitely would recommend to friends and family.?

In another review customer Aj Thacker described his experience as ?Quality service, always on time, great prices, good communication, will highly recommend this company and service, done great bush hogging work and leveling of the yard.?

"We're excited to launch our new website," said owner Donald Tardy. "It's a great resource for people who need land cleared or want to learn more about what we do." Tardy officially founded Southern Gentleman Land Management in 2022 after years of bush hogging and clearing property for family and friends. Tardy eventually built a reputation for providing a quality service at a fair price and the company was born.

To learn more about Southern Gentleman Land Management or to request more information about the company?s services, interested parties may contact Donald Tardy. Parties may also visit the company?s website SGLandmanagement.com for more information. Additionally, the latest information regarding the company, promos, and specials can be found on the website.
