

Queens Immigration Lawyer Keetick L. Sanchez Explain the Areas Where an Immigration Attorney May Be Able to Help

October 21, 2022

October 21, 2022 -

Queens immigration lawyer Keetick L. Sanchez (https://accidentlawyer-queens.com/immigration-lawyer/) releases a new article that enumerates the areas where an immigration attorney may be able to help. The lawyer mentions that immigration laws in the United States can be very complicated and are in a continuous state of evolution. This can result in confusion and frustration for some who are new to the country or speak limited English.

According to the Queens immigration lawyer, ?Living in the United States can be risky for those who don?t know their rights and responsibilities under our immigration laws. For those who want to live and work here, they may be at risk of deportation without the proper documentation.?

The lawyer explains that having the help of a New York City immigration attorney may be able to help the client with many immigration-related matters. These include family immigration, deportation and removal

defense, immigration appeals, asylum status, permanent residency ? green card, extending the period of stay, temporary visas, naturalization, Hague Adoption Convention or Orphan Process, New York residency, deferred action/DREAM Act, and other matters of immigration law.

Attorney Keetick Sanchez mentions that individuals should not navigate complex laws on their own. Having a skilled lawyer may be able to help answer their questions and clarify anything they may be confused about. Attorney Sanchez adds that individuals in the United States can petition for a family member to immigrate to the United States. The first step is to secure an immigrant visa.

In the article, attorney Sanchez explains that an immigration attorney may also be able to help with deportation cases. She says that if an individual has violated immigration laws, they may be faced with the threat of deportation. An experienced immigrating attorney may be able to help an individual who is facing deportation proceedings.

?There are many paths to legal status or citizenship. Having the guidance of an experienced New York, NY immigration law firm can help you determine which is right for you or your family,? the immigration lawyer says.

Lastly, attorney Keetick Sanchez emphasizes the importance of seeking help from an experienced immigration lawyer when it comes to matters surrounding immigration. A skilled lawyer may be able to help the client understand their rights and ensure that they don?t feel uncertain about their situation.
