One happy customer remarks on the company?s streamlined drop-off process. Jenell said, ?Very happy with Bounce Houses R Us! Drop off and pick up were seamless. They even blew up the bounce house then sanitized it at drop off. The bounce house was so clean and in great condition. Communication was very good as well and I was kept informed of our reservation via email and text the entire weekend. I would highly recommend them and use them again for future events!!?

Another satisfied customer noted the company?s willingness to go out of its way to help the customer. In her recent 5-star review, customer Tracey Nash said, ?I cannot express how wonderful it was to work with Kim at Bounce Houses R Us! I had 4 weeks to pull off a carnival theme company festival for 500 people and the lengths Kim and the team went through to make my event perfect was something you don't see much anymore these days!! Thank you Bounce House!?

Pleased customers Charmaine and Cris speak on how easy it was to make a reservation with the company. They said, ?Very happy with my experience. The website was intuitive to get what I wanted. I found Bounce House R Us because they are an approved Vendor for Cook County Forest Preserve. The Forest Preserve "Special Item form" process can be a little confusing but Bounce House were very helpful from their side. I am not a Bounce House expert but the equipment looked to be very clean and in very good condition. They arrived and setup when they said and tore down when they said. They made sure my Son's 4th Birthday party was a success. I am looking forward to using them again.?
