October 31, 2022

PFLUGERVILLE, TX - October 31, 2022 -
Popular online aromatherapy and fragrance store The Gift of has announced a sitewide special sale for Halloween 2022. Gift of Scent is known for its popular line of curated fragrance bundles including The Home Fragrance Collection, The Car Fragrance Collection, and The Travel Collection.

In an email that went out to Gift of Scent?s subscribers, the company wrote about the history of Halloween and shared a discount code that buyers can use to get 20% off on all their favorite scents. The coupon code ?TRICKORTREAT? can be used to claim the discount which is applicable for all products currently available for sale online. The coupon code is applicable until 31st October 2022.

The accompanying email said, ?You can be sure that most people are not likely to be "mumming" on Halloween night, singing songs, telling jokes, or staging doorstep performances for their treats as they did in the old times. Before door-to-door trick-or-treat candy-giving became a thing about 100 years ago, kids had to work hard to fill their candy baskets! We know that Halloween had its origins in the festival of Samhain among the Celts of ancient Britain and Ireland over 2000 years ago, and I wonder what they were doing for trick or

treat night!?

The founder of Gift of Scent, Jeffrey Smith talked about the store?s special Halloween sale by saying, ?Our customers love our wide range of scented fragrance bundles for the car and home and travel. Our subscribers regularly visit our website in hopes of benefiting from the various promotional offers that we run. With Halloween fast approaching, we wanted to give our loyal aromatherapy enthusiasts exactly what they had been waiting for. The 2022 Halloween special sale is the perfect opportunity for our subscribers and fans to stock up on the fragrances that they have their minds set on.
