There is such variety in our offerings that you won't exactly know what you like and what works for your body until you've given it a try. Thankfully, with our regular NewMe Spa monthly offers, we give our clients a chance to experiment with our services and have new experiences that they may not usually opt for. We welcome you to follow our Instagram and Facebook pages or to visit our website to stay up to date with our monthly offers. We pledge to keep bringing the latest skincare and beauty treatments to our cherished Nicosia clientele and sincerely hope that you jump on the next deal to try something new.
