October 27, 2022 -
Hilton Head, SC - Lashes n' More, the go-to lash salon in Hilton Head, revealed its ultimate guide on How To Choose Eyelash Extensions.

The Hilton Head community trusts the eyelash extension professional with its commitment to business excellence. Its strong reputation in the industry roots in the strong background of its founder, Irina Rudman. She is a licensed esthetician who gained her expertise from Russia and South Korea, both powerhouses in the beauty industry.

With her experience, Rudman brought her expertise to Hilton Head and shared her talent with her people. Today, the beauty salon is famous for its top-quality products and proper lashing techniques, satisfying every client.

To share with everyone the benefits of gorgeous eyelash extensions, Lashes n' More compiled a list of things

to consider when selecting the ideal lash look. Consider first the contour of the lash extension. Those who prefer a natural appearance can pick classic lashes, while those who desire more curves can choose curly ones.

The Best Lash Extension Near Me also adds the length and thickness of the lashes on its list. The beauty specialist said that longer lashes give a more dramatic appearance, while short extensions are for a more natural appearance. When it is hard to pick one, Lashes n' More beauty professionals are always there to help anyone choose the best eyelash extensions.

The beauty expert adds that proper maintenance is the key to a long-lasting extension. Clients must clean their eyelashes with a solution designed for that purpose and avoid using anything that could remove the glue. Lashes n' More reiterated that aftercare is as important as the initial application to maintain the longevity of the eyelash extensions.

"Our cutting-edge application techniques provide premium lash types that are cozy, soft, and adaptable for any situation. So whether you're using them for wedding/bridal or regular casual use, the most incredible lashes may let you express yourself in comfort and style," said Rudman.
