Bling!, a company based in Lincoln, NE, is offering holiday lighting installation services in Lincoln and surrounding areas. They can brighten the home and yard for the holidays and other events through the use of properly installed professional grade lighting products and technology. Some of these events are Christmas, Halloween, Hanukkah, Fourth of July, Valentine's day, and more. The lighting company has the capability to offer a broad variety of lighting choices, such as dock lighting, residential lighting, low voltage LED lighting, string lighting, deck outdoor living lighting, landscape lighting, accent lights, accessibility lighting, patio chandeliers, path lights, and more.

A spokesperson for the outdoor lighting company says, "Bling! is not only committed to premier lighting, but we are also committed to providing you a premier customer service experience. Our Lincoln Nebraska lighting specialists and design team are eager to help bring your lighting project to life - from design to installation, to ongoing support. Bling! is your trusted lighting partner and will be with you every step of the way. Our lighting design experts will help you choose the look and feel that is the perfect complement to your home or event. Utilizing our computer-based lighting technology, you can easily visualize and customize your project down to the finest of details."

They offer a full-service holiday outdoor lighting rental experience that includes design, installation, maintenance, take down, and storage. Clients can pick from several pre-designed packages or they can work with one of their expert virtual or in-person lighting designers to personalize the look and feel of the lighting design for their home or building. And using innovative design technology, clients are able to visualize how their home or building will look even before the actual installation. They ensure world class service, from design to installation to take down. And the professional grade lighting products they use are twice as bright as regular products, aside from being durable and tough against weather elements.

Bling! also provides landscape lighting services for patios, porches, decks, outdoor pools, gazebos, uplighting, bar/ restaurant outdoor spaces, and pathway lights. Clients can work with their team of experts in designing a lighting installation that integrates aesthetics and functionality in fulfilling a home's patio and landscaping needs. The outdoor lighting can be used to showcase the attractiveness of the home's architecture and provide the appropriate setting for the home's outdoor venue.

They can also provide permanent lighting setups for the home or building. They use permanent lighting technology that are provided with RGB capabilities to provide millions of light color options for roofline lighting, deck lighting, patio lighting, gazebo lighting, commercial lighting, and more.

They also offer lighting setups for various kinds of events, such as weddings, fundraisers, mitzvahs, pride month, grand openings, parties, graduations, corporate parties, and more. They can provide various designs of outdoor lighting suitable for such events to provide beautiful memories for such occasions.

And finally, they also offer commercial lighting installations, whether it is for a one-time event or a permanent lighting fixture for the commercial building. Their commercial lighting installation services are designed to make the business or event stand out.

Founded by Mike Marlow, Bling! is made up of experts in the installation and maintenance of outdoor lighting with more than 20 years of experience and they have always specialized on making sure that the holiday or entertainment experience of their customers will be great and memorable. Their team of experts in lighting design can develop a creative and attractive outdoor lighting for both residential homes and commercial buildings for whatever reason, whether it is for an event or the holidays or for improving the landscape. For 20+ years, they have provided high quality outdoor lighting for thousands of companies and homeowners. They provide services in Southeast Denver, including Castle Rock, Elizabeth, Franktown, Lone Tree, Aurora, Englewood, Parker, Denver, Littleton, Highlands Ranch, and Castle Pines.
