

EPS Landscaping & Tree Service LLC Is Helping Pembroke Pines Homeowners Increase Their Property Values

November 15, 2022

Pembroke Pines, Florida - November 15, 2022 -
EPS Landscaping & Tree Service LLC is helping Pembroke Pines, Florida, residents keep their front and back yards in pristine shape by providing high-quality landscaping and tree trimming services.

It has been shown through several studies that having a well-maintained and professionally manicured landscape on a property increases its value in the resale market. According to Arborist News, homes with ample flora net an average price of around 7% higher than other similar properties. The difference in property values is even starker in high-income neighborhoods where the presence of mature trees can have as much as a 10 to 15% difference in the price of the property.

The average household income of Pembroke Pines residents is over $86,000 per year with some zip codes such as 33028 and 33029 reporting average household incomes of well over $100,000 per year. For comparison, the average household income across the country is around $68,000. Residential real estate

company Redfin has also scored the Pembroke Pines housing market at a competitive 57 out of 100 with average home values of around $430,000.

A spokesperson for EPS Landscaping & Tree Service LLC talks about the effect of its landscaping and tree trimming service in Pembroke Pines on the region?s home values by saying, ?Regularly maintaining the plant matter on your property is an affordable investment that will net you significant returns in the long term. Not only will it increase the appeal of your outdoor space but you can also shape it to give it more utility and purpose. For example, a freshly cut lawn next to a patio is a great place to entertain guests. You can experiment with plants of different species, water features, and lava rocks, or transform your backyard entirely into something resembling a tropical paradise. Your property value will shoot up and you will also find yourself enjoying spending time at home, in your slice of paradise, under the welcoming Florida sun. If the idea intrigues you, call us today and let us landscape your property to match your vision. Whether it is landscaping, tree services such as trimming or pruning, irrigation, or lawn care, we have you covered. Contact us today to request a free quote.?
