

Wholesale Lubricants Supplier In Southeast Updates Mobile Friendly Website

December 11, 2015

December 11, 2015 - PRESSADVANTAGE -

Wholesale Lubricants distribution company, Best Line Oil Co. Inc., has recently updated their website for mobile friendly compatibility. The company specializes in wholesale distribution of lubricant products including those used in the fields of transportation, metal, construction, marine, and food. The new mobile site was designed to allow businesses interested in accessing information about Best Line to do so from a variety of handheld devices such as mobile phones and tablets.

Founded in 1941, Best Line Oil Company is a leader in the Southeast region of the United States, supplying lubricants to such major cities across Florida, Georgia, and Alabama. These include Birmingham, Huntsville, Mobile, Montgomery, Tuscaloosa, Jacksonville, Miami, Tampa, Orlando, St. Petersburg, Hialeah, Atlanta, Columbus, Augusta, Macon, Savannah, and Athens.

The change to the site has been described as a step made toward the overall expansion of the company's presence online. This comes in combination with a newly released company logo which is also displayed on the mobile friendly webpage.

Products featured on the new website include hydraulic oils, compressor oils, transformer oils, food grade oils, and even absorbent pads and automotive car chemicals, among many others. The Wholesale Lubricants Distribution company has said the following regarding the many options which they make available to their clients and the capacity at which the company carries lubricants: "Located in the heart of Ybor City Tampa, Best Line Oil Company has a bulk tank farm with a capacity in excess of 180,000 gallons as well as a 20,000 square foot warehouse. Our drivers have many years of experience in the lubricants business and our fleet of trucks can handle all of our customers' needs. Best Line Oil's office staff and sales force have extensive experience in the lubricants industry and are capable of providing our customers with the proper lubricants for any application."

As a major Lubricants Distributor Southeast, Best Line Oil Company hopes to use this new mobile expansion online to bring in new clients who are seeking a more modern approach to the lubrication industry. They invite all businesses and individuals interested in learning more to contact them directly using the information available on their site.
