JumpyStuff Party Rentals has been helping parents from Atlanta, Georgia, and nearby areas plan the most exciting parties for their children by offering high-quality and affordable entertainment and birthday party rentals for over a decade.

The spokesperson for JumpyStuff, Cliffe Hall, talks about what makes it stand out from other party rental companies in Atlanta. Cliffe said, "As we say on our website, our mission is to make the party easy for you and spectacular for your guests. To make that happen, we focus on delivering pristine equipment to you on time, every time. When you rent from Jumpy Stuff, you can rest assured that you are going to get party equipment that has been cleaned and disinfected after every rental. We also arrive at the site early to get adequate setup time before the event starts. Our punctuality, well-maintained rentals, and excellent customer service have made us the favorite party rental company for our Atlanta clients. Call us today and make your special event a day to remember."

JumpyStuff's inventory of party rentals includes water slides, bouncy or water slides, obstacle courses, concession stands, and even magic shows. All the equipment listings are accompanied by plenty of full-size images that let customers see exactly what they are renting. Its bouncy slide rentals start from \$199 and go up to \$289. The water slide rentals start at 12-foot inflatables for \$289 and go all the way up to large 29-foot inflatables for \$489. The concession rentals include popcorn machines, snow cone machines, and cotton candy machines which all come with supplies for up to 25 servings, with additional supplies available for large parties.

JumpyStuff recently upgraded its website to include a new 24/7 online reservation system. It allows customers to make bookings wherever they are, at any time that works for them, by simply visiting the website and selecting the date and time for their event. The online system will then display all the items in JumpyStuff's inventory that are available to be booked on that day. Customers will also be pleased to see recommendations based on their current selection, that are sure to further jazz up their planned events. After all the items have been added to the cart, it just takes a few more clicks to complete the reservation.

JumpyStuff's Google Business Profile, which can be viewed at <https://g.page/jumpystuff-bounce-more-rentals?share>, sits at an impressive aggregate rating of 4.5 out of 5.0 from over 50 reviews. One of the latest 5-star reviews says, "This company is FANTASTIC! EXCELLENT SERVICE! They arrived on time, were so helpful in setting up (they do everything - from providing extension cords, finding a safe location, and securing the bouncy house), and were very kind. I 100000% recommend them as they are reliable and professional and the quality and cleanliness of the bouncy house were also amazing, and the kids had a BLAST. Thank you!?"

The company only delivers its party rentals to residential addresses and doesn't set up its bounce houses at parks. Customers get to enjoy free delivery, set up, and pick up for all rentals under 12 miles from the company's warehouse at 4000 Fambrough Dr., Powder Springs, GA, 30127. Customers making bookings for events located farther away will be required to pay a nominal travel fee that will be charged upon checkout. As of the time of writing, JumpyStuff is offering weekend rentals for its one-day rental prices on all X-Large combo bounce houses and water slides, and the obstacle courses. For its weekend rentals, the company will drop off the rental on a Friday and pick it up again on the following Monday.
