November 09, 2022

Las Vegas, Nevada - November 09, 2022 -
North Las Vegas, Las Vegas based Elevate Restore Water Damage Service Las Vegas is reaching out to their local community to celebrate their growth and share positive customer reviews they have earned from members of the community. Elevate Restore Las Vegas provides services to clean up and repair damage to residential and commercial properties due to water, fire, mold, storm or other disasters.

In one of the 5-Star reviews highlighted by the company, Kim Urrutia says, ?Hands down great service, each person I dealt with was professional and kind especially with the trying time I was dealing with. Wish I met them with better circumstances, but overall the whole process was a lot less painless with me.?

In another review, Judy Montgomery says, ?I was out of town at the time our flood occurred and worked having the clean up done over the phone. The team at Elevate Restore (previously STOP) responded quickly for the job and wonderful with all my questions. I appreciate their professionalism throughout the entire process, as well as having a great team of service staff and management. Thank you for making a difficult

situation easier.?

A representative for Elevate Restore Water Damage Service Las Vegas says, ?We have been growing leaps and bounds as a company, and we believe the key reason for that is the fact that in addition to providing high quality restoration services, we also make sure that our customers have an amazing customer service experience. When somebody needs our services, whether it is for water damage restoration or mold damage restoration, we understand that it is a difficult time for them. We aim to lift the burden from our customers and ensure that the process is as smooth as possible. To that end, we are glad that our services are appreciated by the local community and look forward to happily serving them for years to come.?

Elevate Restore is a locally owned professional water damage restoration company that provides full-service emergency cleanup and restoration for disasters of all types. The company boasts a number of great qualities that set it apart from other water damage restoration companies. At Elevate, their expert team of professionals are trained to respond effectively and efficiently to help homeowners and business owners restore their property to its pre-damaged state while minimizing the disruption to their life or business.

The company?s water damage restoration services start with a thorough assessment wherein they determine the extent of the damage and take stock of what needs to be repaired (and what needs to be replaced entirely). Using their advanced and powerful equipment, they will address as much of the cause of the damage before beginning the repair process. Customers no longer have to worry about any additional damage.
