March 25, 2015 -
Michael Taggart SEO services highlight his latest efforts to help new businesses earn 7 figures in as little time as 12 months through his expertise in SEO and marketing. Recognized for his appearances in various marketing conferences such as the 7 figure speaking empire, Traffic and Conversion Summit, SEO Rockstars, and others, he will be speaking at the GKIC 2015 Super Conference this year.

Michael Taggart SEO helps tens of thousands of businesses and entrepreneurs each year in their SEO efforts, and has shown multiple successes as reflected in the client reviews and testimonials left on the websites of the various companies he has founded. He has made it clear that in the marketing world he is known as Michael Taggart mastermind, and a visit to his LinkedIn account, with more than 500 connections, and listings of his many accomplishments is visible proof of this nickname.

He is also know as Michael X for his interest in extreme sports and extreme marketing. He is famous throughout the SEO world for his advanced knowledge of algorithms and the calculated risks he takes within his field to get ahead. SEO with Michael Taggart provides new and existing clients with helpful information

and various services that assist with getting web design up to the standards of the current Google algorithms, providing information and motivation on press releases, e-mail newsletters, pay per click, and sales copy, among other subjects. He has said the following regarding his work with some of these features:

"We offer a done for you solution to your Press Release needs. We write, edit, submit, syndicate and build backlinks to your press releases every month."

With one on one coaching from Michael Taggart mastermind, clients are provided with the ability to grow their businesses into a 7 figure company within 12 months or more. This is due to the many years of experience that Michael X has accumulated since his very first website launch in 1999. His work as CEO and founder of such companies as Adventure Marketing, Rock Steady Inc. and Della Terra LTD, have been said to be some of the ammunition he draws from and serves up against competitors in the marketing industry.

Working on SEO with Michael Taggart includes many incentives as suggested on his many social media accounts and company sites, and he has encouraged potential clients who are interested in how he can help them to contact him through one of his many chains of contacts including Facebook, Twitter, LinkedIn, or company contact links. His many headlining conference speeches can be viewed online and give greater insight to the level of SEO and marketing knowledge that Michael shares with his clientele.
