The company claims to close most deals within just 7 days. That?s sooner than anyone else. ?We buy houses Conroe faster than anyone else?, read an official press release by the leading cash-for-home buying service, which claims to close within a week.

Preferred House Buyers? official press release stated, ?we buy houses Conroe, regardless of its condition and size. If you think I want to sell my house fast, Conroe, then get in touch with us.? The press release also stated that most home sales close within a week if everything checks out. That?s a fraction of how long it takes to sell a home using the traditional listing or hiring a real estate agent. Preferred House Buyers will buy the home regardless of its condition and location within Conroe city.

Conroe is in Montgomery Country, Texas, a bustling city with an inventory of old homes that have been sitting on the market for a long time. Demand in the city for homes is low, especially for ones that are in bad condition. That?s where selling for cash makes sense, according to real estate experts.
