Bounce House Rental Company in Fort Worth TX Let's Jump Rentals Happy to Cater to Large Events

November 18, 2022

November 18, 2022 - PRESSADVANTAGE -

Let's Jump Rentals has been providing items that make parties and events in the Fort Worth, Texas area more enjoyable for many years now. This includes setting up the company's wide selection of inflatables which consists of themed bounce houses, slides, and interactives. The company owner, Scott Ratliff, comments that while they have made a name for themselves supplying party and event rental items for medium and small-size gatherings, they have become especially adept at doing the same thing for larger-size events. Scott Ratliff stated, "We enjoy being the go-to party and event rental service for so many in Dallas, Fort Worth, and elsewhere throughout the surrounding DFW metroplex area. Many people call us to help make their small backyard gatherings ones to remember, but I also want to remind people that we can help take the fun to the next level with any large-size event too. We do this not only by making available a wide selection of exceptional inflatables to our customers, but we also have all the necessary support items for large-size gatherings."

The company owner went on to say that their staff and techs really enjoy working in large party or event settings where several inflatables and other items need to be set up. The company regularly provides entertainment and equipment for festivals, carnivals, fairs, field days, and other large-scale community

events. He notes that the company's streamlined ordering, delivery, and setup process ensures the large events they provide party items for will go off without a hitch. Ratliff also talked about how large-scale community events require big-size inflatables, which the company offers in abundance. This includes their customers being able to rent the ginormous Cascade Crush Combo that measures 38ft x 18ft x 20ft and comes with a large bounce house section and dual lane slide. He mentioned that they also have available the Colorful Double Slide Castle. It measures 38ft x 18ft x 20ft and has a double slide combined with a large bounce house area. One of their more popular inflatables in the fall for all ages is the Football Combo Dry. At 38ft x 18ft x 20ft it's very generously sized and its gridiron theme is nicely complemented by a large jump area, a basketball hoop, and a dual lane slide. Many customers will even rent their dunk tank in addition to one or more of these big-size inflatables for larger parties and events that are held during the warmer months. The company owner also wanted to remind their customers they have all the support items that are necessary to round out any large-size party or event. This includes chairs, tables, tents, and even concessions equipment such as cotton candy, popcorn, and sno cone machines.

Those that have booked bounce houses and other necessary items for large events from the company have written very positive reviews about their experience. A representative of the Ridgewood Park Neighborhood Assoc wrote, "Rented a bounce house, tables, and chairs for a neighborhood party. Let's Jump was great to work with, especially when we had to postpone everything the day before the scheduled event because of bad weather. No hassle, on-time delivery, great communication, and competitive pricing. Couldn't ask for more and would definitely use them again. Thanks for helping make a great event happen!?"

In his 5-star review, happy customer Darryl Baker said, "Great working with you as always for our Ponder Polar Express event. On-time and great products. Look forward to working with you again next year and adding a few more things." These reviews were taken from Let's Jump Rentals Google Maps Business Listing where the company holds an impressive 4.8 out of a possible 5-stars with over 800 reviews to date.

Ratliff added that the details of every inflatable and party item that the company rents out for large gatherings can be viewed on the website along with a full-color photo of each item. The listed price for the item also includes delivery, setup, and takedown. He welcomes those that would like more information on Let's Jump Rentals inflatables and other party items to give him a call or send him an email, or to book directly online.
