November 18, 2022 - PRESSADVANTAGE -

MVP Dumpsters & Demo, a full-service junk removal and demolition company, is helping Oklahoma City residents solve their waste disposal problems with exemplary professionalism and friendly customer service. More information about the Oklahoma City waste management company can be found on its website at the following: <https://mvpdumps.com/>

The company's services include dumpster rentals, full-service junk removal, new construction cleanup, and demolition cleanup. Homeowners or commercial contractors, who need to dispose of waste that will be generated while working on a project, can book the company's dumpsters either by calling the staff directly or using its simple online reservation system. MVP Dumpsters & Demo's experienced drivers will then drop off the dumpster at the client's address at the agreed-upon time. Once the client is done with the project or if the dumpster is full, they can call the company to have the waste hauled away quickly and efficiently.

MVP Dumpsters & Demo's junk removal services are ideal for clients who already have the waste they want to dispose of earmarked for pickup. The company's trained and skilled junk technicians will arrive on the site and load up the truck with no input required from the client. The full-service junk removal offered by MVP Dumpsters & Demo is the best way to handle waste disposal on a project that is already underway or finished.

Builders and contractors in Oklahoma City can also turn to MVP Dumpsters & Demo for its construction clean-up service. The company will take care of all its professional clients' new and post-construction, interior, and exterior, cleanups for both residential and commercial properties. Moreover, MVP Dumpsters & Demo also provides services such as concrete removal, site clearing, excavating, teardowns, mobile home demolition, and removal, on structural as well as interior demolition projects.

MVP Dumpsters & Demo has received positive reviews across its several online profiles. On its Google Business Profile, which can be found at <https://goo.gl/maps/J62pmidg9SogbXon8>, it has a perfect rating of 5.0 out of 5.0. One of the reviews on Google says, "They have been extremely responsive. I have rented 2 dumpsters in the past year! I will definitely be using them and highly recommend them. Thank you, MVP Dumpsters & Demo!!!"

The company's 20-yard hook lift dumpster is 18 feet long, 8 feet wide, and 4.5 feet high. Its base rental price of \$375 includes three tons of waste removal. Its 30-yard hook lift dumpster is 22 feet long, 8 feet wide, and 6 feet high. Its base rental price of \$450 includes three tons of waste removal. Both dumpsters can be rented out for up to 10 days for the base price. It charges \$25 per additional day of rental and \$40 per additional ton of waste.

MVP Dumpsters & Demo is equipped to haul away a wide range of waste including appliances such as refrigerators, freezers, stoves, ovens, washers, and dryers, household junk, yard waste such as branches, tree and bush clippings, wood waste such as fencing, firewood, and old timber, garage, shed, and attic junk such as boxes, books, and old tools, construction debris such as windows, doors, floorboards, drywall, plasterboard, lumber, and metal, furniture items such as couches, mattresses, dressers, and tables, roofing items such as shingles, tiles, and corrugated iron, clean or mixed concrete waste, and office or retail junk.

MVP Dumpsters & Demo prevents customers from dumping certain kinds of hazardous waste materials, including asbestos, paint (unless it is dried and hard), chemicals (either solid or liquid), oil and fuel tanks, oil drums (unless the top and bottom are cut out), and tires. The company can dispose of the prohibited items separately for an additional fee.
