

Lake Charles LA Dumpster Rental Provider DumpIt.Biz Offers a Range of Roll-Off Container Sizes for Customers

November 10, 2022

Youngsville, Louisiana - November 10, 2022 -
DumpIt.Biz, a locally owned Lake Charles, LA dumpster rental company, offers a variety of sizing options to accommodate a wide range of residential and commercial projects. The business frequently works with people who are looking for assistance with short- or long-term waste disposal goals, including homeowners, contractors, business owners, and individuals. Those seeking more information about dumpster rentals can visit the company's website to learn more about its roll-off bin inventory and service area.

The company was founded by Jason DeJean with the goal of providing residential and commercial clients with practical and affordable waste removal solutions on a short or long-term basis. ?Whether you?re clearing out junk from the garage or managing a commercial demolition,? Jason said. ?We carry industry-grade roll-off containers that help our customers reach their specific waste disposal goals in a convenient and cost-effective way. We?ll deliver the bin at the time and location of your choosing so you can fill it up on your own time then give us a call when you?re ready to have it hauled away.?

The company divides its sizable inventory into projects for mixed waste or construction and demolition. The 10-yard, 15-yard, 20-yard, 30-yard, or 40-yard are among the five commercial-grade selections for construction waste. The 10-yard begins at $250 for up to 14 days of rental time, with two tons of waste disposal included in the base price. This size measures 8? wide by 12? long by 3? high. The 15-yard construction dumpster begins at $275 for up to 14 hours of rental time, with two tons of waste disposal included in the base price. This size measures 14? long by 8? wide by 3.5? high. The 20-yard begins at $325 for up to 14 days of rental time, with two tons of waste disposal included in the base price. This size measures 22? long by 8? wide by 5? high. The 30-yard dumpster begins at $425 for up to 14 days of rental time, with two tons of waste disposal included in the base price. This size measures 22? long by 8? wide by 6? high. The 40-yard begins at $750 for up to 14 days of rental time and includes two tons of waste disposal in the base price. This size, the largest available option from the company, measures 22? long by 8? wide by 6? high.

DumpIt.Biz offers mixed waste roll-off bins to suit every project, including 10-yard, 14-yard, 15-yard, 20-yard, and 30-yard choices. The 10-yard mixed dumpster begins at $350 for up to 14 days of rental time with two tons of waste disposal included in the base price. This size measures 22? long by 8? wide by 2? high. The 14-yard, available for shingles, concrete, or dirt only, begins at $295 for up to 14 days of rental time. This size measures 22? long by 8? wide by 2? high. The 15-yard begins at $375 for up to 14 days of rental time with two tons of waste disposal included in the base price. This size measures 15? long by 8? wide by 4? high. The 20-yard begins at $425 for up to 14 days of rental time with two tons of waste disposal included in the base price. This size measures 22? long by 8? wide by 5? high. The 30-yard dumpster begins at $525 for up to 14 days of rental time with two tons of waste removal included in the base price. This size measures 22? long by 8? wide by 6? high. The 40-yard begins at $850 for up to 14 days of rental time with two tons of waste disposal included in the base price. This is the largest size available, measuring 22' long by 8' wide by 6' high.

Additional tons and days may be purchased for $69 per ton and $15 per day, respectively. The business collaborates with reputable American manufacturers to offer roll-off containers that are strong, simple to load, and suitable for driveways. Construction materials, yard waste, furniture, and general garbage are among the materials that cannot be disposed of in the company's roll-off containers. Hazardous substances, such as flammable liquids, medical waste, asbestos, and other materials, are forbidden in accordance with local laws. Contact the business directly for a complete list of materials that are unacceptable.
