The form asks for pertinent details such as the client?s contact information, the zip code where they currently reside, the state and zip code they are planning to move to, the size of the move in terms of the number of rooms in the home or apartment they live in (one to five), the date of the move, and any other additional relevant instructions that are bound to be important.

It has an impressive aggregate rating of 4.8 out of 5.0 from over 60 reviews on its Google Business Profile. The latest 5-star review says, ?Fantastic experience! Bronx Moving Company was quite professional, and the office's communication was excellent. I've used movers before, but they couldn't handle moving a really huge desk. Thankfully, I was able to set up with Bronx Moving Company to come just a few days after I contacted them. From a very narrow stairwell on the second level, Robert and Sean managed to transfer my extremely huge desk. They handled it carefully along with several other stuff and made it look simple.?

Apart from being licensed and insured for long-distance moving with the Department of Transportation, Flat Fee Moving LLC also facilitates local moves and commercial moves.
