C. James says in a glowing Google review, ?This moving company was a Godsend. I was originally going to use a competitor but because of complications with that company, I chose Moving Company in Yonkers. Two days before my move, they were able to fit me into their schedule. What a stress relief it was to get their services. They are fantastic, very friendly, personable, efficient, professional and competent in their handling of our items in a safe manner. More than that, their prices were very fair and more than competitive. There were no surprises in the pricing and their communication was great. S. Little says in another review, ?I used Moving Company in Yonkers Corp for the first time today, and I couldn't be happier with the team that assisted me! Robert arrived a bit early to determine what needed to be placed onto the truck, and I valued his consideration, concern, and knowledge! When Sean, his partner, arrived on time, they got to work right away and got everything done swiftly. Although I made every effort to ensure that the team's vacation went smoothly, these men's professionalism and kindness made it a beautiful experience for everyone. I am really grateful for their assistance today! Working with this company is something I would really suggest, and I will definitely keep doing it.?
