November 14, 2022 -

Locally owned and operated DeKalb IL dumpster rental company Resource Dumpster is proud to showcase recent 5-star reviews published on the company?s official Google business page. The waste removal business offers industry-grade roll-off container rentals for its residential and commercial customer base to help complete a range of repair, renovation, cleanout, demolition, and development projects. Those interested in scheduling a delivery or learning more about the company?s services are encouraged to visit its official website.

The company holds an impressive 5 out of 5-star rating on its official Google business listing with 53 reviews to date. Customers remark on the company?s professionalism, attention to detail, on-time delivery, and friendly customer service.

One happy customer commented on how effortless the process was. Nadia Jeffrey said, ?The delivery and pickup of the dumpster was fast, effortless, and the communication was top-notch! I called on Thursday and

asked for a day extension and was given the weekend at no extra cost!!! Hands down an amazing experience.?

Another satisfied customer comments on the company?s friendly customer service and flexible scheduling options. Brian Black said, ?Always the best experience when a dumpster is needed. Great customer service and flexible if I need to extend the pickup date. Extended rate is very fair as well. I highly recommend Resource Dumpster and will definitely use them again myself.?

One 5-star review remarked on the prompt delivery and cleanliness of the dumpster. Customer Russell Hansen said, ?Rich was great to work with. I?m in Sycamore and he was prompt, on time, courteous, and the dumpster was clean! I rented it for a house clean out and on the smaller bin I fit 5 full-size couches plus years and years of old stuff that wasn?t making the cut for the move and I still have about 2 cubic feet of space to fill. Rent from Rich, you won?t be disappointed.?

A positive review left by customer Laurie Hansen commented on how helpful owner Richard McDonald and his team are. Laurie said, ?Rich was great to work with. He gave perfect advice for the size container (dumpster/roll-off) for clearing out my house in Sycamore. It was delivered and picked up as promised and it was placed so that access was easy. I recommend this business to anyone in their service area. I love that I could support a local business rather than giving my business to one of the big names.?

Roll-off container rentals are used to complete a range of residential and commercial projects, including, but not limited to, garage or attic cleanouts, roofing repairs, sidewalk or driveway demolitions, foreclosure cleanouts, furniture or appliance removal, interior renovations, new construction, housing additions, flooring removal, commercial roof replacements, shed or deck removals, ongoing waste management for businesses, and other waste disposal efforts.
