Mortgage Right Announces Quick and Efficient Assistance In Processing Mortgages

November 16, 2022

Atlanta, Georgia - November 16, 2022 -
The leading mortgage company, Mortgage Right, has announced that net branch operators can now get instant assistance with processing mortgages. The assistance will make processing mortgages easier, with shorter approval times.

New York City, NY ? MortgageRight has announced that its net branches will experience a much swifter response time, in addition to efficient processing of mortgage applications. The company has also said that net branch management can expect not to have to deal with a corporate layer or middle management, ensuring that the rates remain unpadded, providing lower rates and more BPS.

MortgageRight has, over the years, gained a reputation for providing its net branch managers with the lowest possible rates, which allows them to pass on the savings to clients. It also means that net branches can make more money. The company uses what?s called a Pricing Polygraph, which allows net branch owners to see how much they can earn by using MortgageRight. Partners get to see their margins in real time and upfront, ensuring they can continue to offer clients the best possible deal and remain ever competitive to close more business.
