Ontario, California - December 03, 2022 - PRESSADVANTAGE -

Napolin Accident Injury Lawyer, a personal injury law firm based in Ontario, CA, is urging accident victims to seek legal help to avoid missing critical steps in their personal injury claim based on their right under the personal injury law of California. Alexander D. Napolin is a leading auto injury lawyer Ontario residents can go to because of his proven ability to assert claims with the insurance firms by applying a proven method. This approach in prosecuting accident injury claims has provided many successful outcomes for clients.

Alexander D. Napolin says, "No matter the severity of your injury, you have the legal right to pursue a payout to help cover damages you incurred as a result of an accident. With a free initial consultation, we can explain to you what to expect through each step of the legal process. From the beginning research stages of the legal help for an accident or injury case to collecting important records and negotiating with insurance companies or opposing counsel, working closely with a dependable personal injury lawyer greatly increases your chances of reaching a settlement."

It is important to note that despite some similarities, each personal injury claim will be unique and will require an expert strategy to allow the client to get the optimum payout from the responsible party or their insurance company. It is actually perfectly legal for accident victims to represent themselves in a personal injury claim. However, without the experience, knowledge and skills of an expert attorney, many will likely settle too early or even lose their chance to make a claim.

There are a number of typical reasons for hiring a car or motorcycle accident lawyer near me Ontario residents can rely on. These include: the responsible party or their lawyer has offered a settlement; negotiating a settlement with the insurance firm has yielded no results; the injuries received need surgery or long-term care or something more serious, such as a head or brain injury; injury has caused the victim to miss school or a lot of work; or the injury has caused the victim to be unable to walk or perform daily activities.

Working with a lawyer who is focused on personal injury cases can significantly increase the accident victim's chances of getting the maximum payout from insurance companies and the responsible party. Alexander D. Napolin is a 100 percent plaintiff-side personal injury attorney, which means that he never defends insurance firms, thus ensuring that there is no possible conflict of interest. He has significant experience in litigating car accident, personal injury and workers' compensation claims. He obtained his law degree from the Pepperdine University School of Law. Before studying law, he graduated with top honors at the Mihaylo College of Business and Economics at California State University, Fullerton. It was during his time in business school that he studied insurance and took part in the Young Insurance Leadership Program. Later on, he studied law at Pepperdine University, where he received several CALI Awards for getting the top grade in classes focusing on arbitration, trials, and settlement of disputes.

Founded in 2011, Napolin Accident Injury Lawyer has evolved and developed the reputation of being a reliable law firm for personal injury cases. This is because the firm has achieved success in many cases. These were due to Alexander D. Napolin's unique technique that he applies for every case. After more than 10 years of helping accident victims with their legal needs, the firm has established a history of success for thousands of accident injury cases. All of these have played an important role in establishing Alexander D. Napolin's reputation as a leading car accident lawyer near me Ontario residents can depend on.
