

Breezy Hollow Puppies Offers Goldendoodle Puppies for Sale

December 14, 2022

December 14, 2022 - PRESSADVANTAGE -

Breezy Hollow Puppies, a family owned and operated company in Millersburg, PA, is offering Goldendoodle puppies for sale in Maryland and in other states, such as Massachusetts, California, Florida, Virginia, Pennsylvania, Texas, and Washington. This particular kind of dog resulted from crossbreeding a golden retriever with a poodle. Thus, they are designer dogs, which means they have been designed to look like golden retrievers but with coats that are short and curly, compared to the long and straight hair of golden retrievers. They have also been genetically engineered to have floppy ears, blue eyes, and white paws.

Omar Lapp, owner of Breezy Hollow Puppies, says, ?At 8 weeks of age our puppies are well socialized and partially potty trained. At purchase we provide more tips on how to help finish potty training your puppy! We raise Goldendoodle puppies in 3 size ranges. Mini (10-20lbs), Medium (20-40lbs) and Standard (45lb+). We offer a variety of colors: Blue Merle, Cream, Black, Golden and Red with white markings. And we feed Great Lakes Pet Food to our dogs so that they have strong immune systems, receive proper nutrients, and are as healthy as possible. For the best health of your puppy, we recommend staying with our grain free food. Switching dog food can cause diarrhea in puppies.?

Breezy Hollow Puppies offers both trained puppies and those that are available for training. Trained puppies have already attended the Puppy Training Bootcamp and are under the care and guidance of their professionals. Those who are interested in Goldendoodles but can?t find what they are looking for from the available puppies can sign up for the Puppy Waiting List.

They provide a Health Guarantee, which is upheld 30 days after purchase. And if the customer uses Great Lakes Pet Food, the guarantee is extended for a much longer duration of 2 years. This health guarantee is provided for the protection of both the seller and the buyer but it is mainly provided for the protection of the health and well-being of the puppy. The health coverage will be for a duration of 10 days due to disease, illness, or parasitism. And negligent care will not be covered.

Breezy Hollow Puppies was established by Omar Lapp, who has been raising quality Goldendoodles since 2015. They live on a farm in Dauphin County where they raise Goldendoodle puppies. They have decided to focus on the Goldendoodle because it is a popular choice due to its gentle spirit and excellent discipline, including the amazing retrieval skills and high intelligence of the poodle. All of their puppies are second generation (F1B), which provides them with the best chance of being hypoallergenic and the least likely to shed. All of their puppies are given a grain free diet to ensure they have strong immune systems, are as healthy as possible, and get the appropriate nutrients. And all of the puppies are micro-chipped to ensure their safety and provide the owner with peace of mind because they can be tracked in case they are stolen or lost.

Customers have been providing highly positive reviews. For instance, Tanner gave them five stars and said, ?We are so happy with how our experience went with Omar and Vani throughout the entire process. They were always available for questions and provided constant updates on our puppy?s progress with pictures and videos as well as other information about his growth. We opted to enroll our puppy in the training program offered by Breezy Hollow, and we couldn?t be happier with the results. When we were finally able to take Fletcher home, it was clear to us that Vani did a great job. He was already so well behaved and comfortable around other people. We are so happy to have Fletcher in our lives. We highly recommend Breezy Hollow Puppies to anyone.?

When looking for Goldendoodle puppies for sale Maryland residents can check out the Breezy Hollow Puppies website or contact them on the phone or through email. They are open from 8:00 am to 8:00 pm, from Monday to Saturday.
