

Deadeye Construction, Custom Barndominium Manufacturer in Mounds, Oklahoma, Revised Its Website

November 18, 2022

November 18, 2022 - PRESSADVANTAGE -

Deadeye Construction, a company offering custom Barndominiums, Pole Barns, and Metal Buildings in Mounds, Oklahoma, has launched a new website design. The website makes it easy for customers to find the exact building style they are looking for. The new design highlights the company's extensive list of services.

The new website displays all the various services on the home page. If a customer is unsure of exactly which service they want, the home page makes it easy to explore the available options. When customers click on the links located on the home page, they are taken to the service page which lists all the items for that service. Customers can then click on the simple, secure contact form to submit their information for a follow up call or email.

A spokesperson for the company, Emily H says, "We are extremely excited about the new website redesign. We are hoping the new look, will give our clients what they need with an easy to follow platform. We offer so

many different types of buildings and services. Most of our potential clients, don?t even know all the different customizations we offer.?

Deadeye Construction is a family-owned company that delivers unmatched quality custom built structures. The company offers custom designed barndominiums, pole barns and metal buildings.

Justine Patton, a recent customer, gave this review, ?We used them to build my mothers pole barn home. Justin is very professional and will take care of you from start to finish! We are having them build another pole barn home for us now and I know without a doubt we are in good hands.?

The company can be reached by calling (918) 827-6700 for any inquiries. There is also a contact form on the website to get in touch with them directly. Customers can follow the company's Facebook page at <https://www.facebook.com/DeadEyeConstructionLLC> to stay up to date with the latest service announcements.
