Chicago Website Design SEO Company Offers SEO Services that Produce Sales Leads

January 02, 2023

Chicago, Illinois - January 02, 2023 -
Chicago Website Design SEO Company (CWDSC), a digital marketing agency based in Chicago, IL, is proud to point out that their search optimization services are likely to produce leads for clients. And this is practically ensured because CWDSC has been at the top of optimization keywords in Chicago for the past 12 years. This shows that their online marketing techniques really work. And they can guarantee that these techniques are white hat methods and don?t violate Google?s best practices, ensuring that the client?s website will not get any Google penalties.

Jack Lombardi, founder and CEO of CWDSC, says, ?Having succeeded where the competition didn?t, we hope you agree our search engine rankings on Google against other digital marketing agencies prove CWDSC is the best in Chicagoland, and one of the top search engine optimization companies in the US. We are here to ensure your website is optimized to rank high on Google and in the Google business listings. With our best in business optimization techniques for search engines, we will always meet our goal ? your business in top position which is exactly where the best most qualified traffic is; exactly where you found us, the top of the Google business listings.?

One of the key services offered by CWDSC is lead generation. After all, SEO is all about increasing sales by allowing more people from the business? ideal audience to find the business website and encourage them to buy the product or service being offered. Business owners are aware of the value of the sales funnel but when it comes to online marketing, things are a bit different. Jack Lombardi says, ?The fact that you found us is not by accident, the truth is, we are found under many profitable keywords for our industry like: lead generation company, lead generation services, lead generation services, SEO company and more. Through hard work and strategy, we are actually on page one of Google for more than 200 keywords and found in 1000's of towns and cities throughout the US; not only Google, but Yahoo, Bing and Yelp.com.?

CWDSC serves as a one-stop shop for all lead generation needs. These include: website design; lead funnel; content writing; email sequence writing; search engine optimization; reputation building; PPC (pay-per-click) set up and management; and more. There are many techniques for sales leads generation but CWDSC focuses on their specialty, which is web marketing. Their process includes: finding the correct/profitable keywords; building or updating the client?s website to reflect those keywords for expectation management; building, managing or fixing the client?s online reputation; SEO optimizing the website; and performing off-page SEO for the keywords they found best for the client?s services or products.

CWDSC also wants to point out that one of the reasons they have succeeded against their competitors is they always conduct an analysis of the competition. When doing online marketing, knowing one?s competition is vital because the Internet is a very competitive marketplace. That is why they also offer a competitive analysis report for clients. And analyzing the strengths and weaknesses of the competition may actually uncover opportunities for the business. The competition analysis report that they offer will show how the client?s website measures up to the competition in a number of aspects. They will examine everything, such as the quantity and quality of incoming links to content, website design, anchor text, and more.

Launched in 2008 by Jack Lombardi, CWDSC has grown into one of the leading search engine optimization companies for Chicago and other key cities in the country. While it is based in Chicago, it has a number of branches in seven other major cities and delivers digital marketing services to 76 towns. The company is supported by four full-time SEO experts, each one a specialist in their specific type of work and their combined work experience is more than 25 years.

Those who would like to know more about the SEO services offered can check out the Chicago Website Design SEO Company website or contact them through the telephone or via email. People can also find out the latest news about the company by reading their recent CWDSC press releases.
