

How Pro Shine Professional Cleaning Keeps Every SC Home Healthy and Clean

November 22, 2022

November 22, 2022 -
Bluffton, SC - Bluffton-based business Pro Shine Professional Cleaning is helping every client they cater to enjoy healthy and clean air at home.

They do this by providing five-star quality services, such as one of their most sought-after services, the Air Purifier Installation Near Me. The company provides air filtration and purifiers that provide significant relief for every home and business establishment.

Pro Shine Professional Cleaning says its mission is to keep every home free from dust, pollen, spores, fungi, and other air pollutants that may trigger allergies and other respiratory problems if not addressed. One effective way to remove these allergens, mold, and other contaminants from the air is UV air purifiers.

A UV air purifier is a device that uses ultraviolet light to kill germs, bacteria, and viruses in the air. They?re often used in hospitals or other healthcare facilities to help prevent the spread of infection. Pro Shine Professional Cleaning sells and installs UV air purifiers designed for homes.

The family and locally-owned cleaning company are proud of its HVAC (heating, ventilation, and air conditioning) system cleaning and air duct cleaning services. With their HVAC Cleaning Service, Pro Shine ensures no contaminants will build up in the air ducts of every home they cater to.

The Bluffton company also uses EPA or Environmental Protection Agency-registered and food-grade safe disinfectants in disinfecting, sanitizing, cleaning, and deodorizing the HVAC system. Besides air duct cleaning, Pro Shine Professional Cleaning also performs dryer vent cleaning recommended to clean the air and avoid house fires.

Besides air purifier installation and HVAC cleaning, Pro Shine Professional Cleaning also provides an antimicrobial fogging treatment with a 2-year growth free guarantee. This means that they return two years after the date of service to check the system for any regrowth, and if the technician finds any growth in the system, they will fog the system again for free.

Furthermore, Pro Shine Professional Cleaning also delivers Commercial Janitorial Cleaning Services and Commercial Floor Waxing and Buffing. Besides Bluffton, Pro Shine Professional Cleaning serves clients in Hilton Head and Okatie, SC.
