316 Waste Solutions, a family-owned and operated dumpster rental and junk removal company, offers online booking for scheduling a dumpster rental in Wichita, KS. The waste removal company offers a range of disposal services, and its state-of-the-art website allows for convenient online booking using any device connected to the Internet. Those interested in learning more about the company or scheduling one of its services are encouraged to visit the official website.

The owners and staff at 316 Waste Solutions are passionate about providing invaluable services to their community with industry-grade dumpster rentals and effective commercial cleanout services. The company?s dumpster rentals are utilized for repairs, renovations, demolitions, cleanouts, and developments, while its cleanout services are often scheduled for office park cleanouts, demolition cleanups, furniture or appliance removal, and other waste removal efforts. Alex and Lori Williamson founded their company with the goal of offering all-inclusive waste removal services to local businesses, construction professionals, and homeowners in Wichita, and surrounding areas.

?We?ve become the go-to choice for a variety of customers searching for reliable waste removal options,? Owner Lori Williamson said, ?Clearing out your construction site or keeping your roofing project waste free and safe has never been easier than with the support of our commercial-grade bins.?

Individuals interested in booking the company?s services can navigate to its official website, click the blue ?Rent a Dumpster Online? button in the center of the ?Home? page, then view available dumpster sizes and prices. The company offers three bin sizes, 15-yard, 20-yard, and 25-yard. Once the viewer has found the best choice for their specific waste disposal needs, they can click the orange ?Book Online Now? button under the size to begin the checkout process. The customer will then choose between a 24-hour, 3-day, 7-day, or swap-out rental time.

?We want to make it as simple and streamlined as possible to view our container options, make the best choice for your specific project needs, and check out with a few easy clicks,? Lori said, ?With our modern, user-friendly site, you can have a dumpster delivered to your work site or driveway in no time.?

The company partners with industry-leading manufacturers to provide open-top roll-off bins that are as durable as they are easy to load. The smallest container option, the 15-yard, is available for $239.95 for a single-day rental, which includes 1.5 tons of waste disposal. Additional days and extra weight are available for $40 per 24 hours and $100 per extra ton. The 20-yard is available for $299.95 for a single-day rental, which includes two tons of waste disposal. Additional days and extra weight are available for $40 per 24 hours and $100 per extra ton. The 25-yard is available for $399.95 for a single-day rental, which includes three tons of waste disposal. Additional days and extra weight are available for $40 per 24 hours and $100 per extra ton.

The company?s bins are designed to contain and haul away a range of non-hazardous waste, including construction debris, landscaping waste, garbage, and other materials. In accordance with local regulations, 316 Waste Solutions cannot accept prohibited waste, including tires, paint, vehicle batteries, oil, sewage, bricks, shingles, rock, dirt, window AC units, hot water heaters, refrigerators, freezers, any appliances containing freon, and any flammable liquids. For an exhaustive list of forbidden items, contact the company via phone or email.

316 Waste Solutions has received several positive reviews on its official Google business listing. One 5-star review commented on the company?s professionalism and attention to detail. Satisfied customer Travis said, ?Extremely professional and excellent work. Prompt response to my request, came right out to provide an estimate, and completed the work just as we wanted in a timely manner. Contacted a lot of other companies during the information gathering process, and hardly any responded. Highly, highly recommend this company.? This review and others can be viewed on the company?s Google business profile.

Those interested in scheduling services or a dumpster delivery in Wichita, KS, or surrounding areas are encouraged to visit the company website or contact the 316 Waste Solutions team via phone or email to begin the process.
