November 23, 2022 - PRESSADVANTAGE -

My Truck Now is a top commercial truck dealership serving Morgan Hill, California, and the surrounding areas. The dealership has announced that they have work-ready trucks designed to go straight to work from the dealership.

According to the dealership's website, "We have dozens of WORK-READY TRUCKS in stock. Flatbeds, Service Bodies, Hauler Bodies, Dumps, and Chassis Cabs are ready to build to your specifications. Do you need a 2500, 3500, 4500, or 5500? In stock and a huge inventory of in-transit vehicles wanting to make your business some money. Check us out."

The main reason why the dealership exists is to help people in business grow in terms of transport and delivery. For this reason, the dealership has a huge inventory to make sure that they cover a wide range of needs. On this, the dealership stated, "Whether you're just starting, or looking to expand your fleet of commercial vehicles, we can help you. We have a full inventory of popular models like the Ram ProMaster

City, Ram 2500, Ram Chassis, and of course the ever-popular Ram 1500. No matter what your unique business needs are, we can find you the right vehicle to meet those needs.?

Apart from work pickups and other commercial trucks, My Truck Now also sells SUVs. The dealership has stated, ?Finally, Chrysler Dodge Jeep Ram of Morgan Hill has a robust selection of Ram trucks available to commercial shoppers. The Ram 1500 in particular is a very popular choice. If you need a simple truck for delivering parts and equipment, the Ram 1500 Tradesman is a great choice. Other trims let you equip the Ram 1500 with all sorts of extra features, from a Uconnect infotainment system dual-zone automatic climate control, and more. Plus, you'll have your pick among some of the industry's strongest truck engines like the 5.7-liter HEMI V8 and the 3.0-liter EcoDiesel V6.?

Anyone looking for commercial trucks and SUVs, or work-ready trucks can check out the inventory at My Truck Now and choose one that best fits their business.
