Jacksonville, FL - Clients of Rainbow Notary and Nuptials can expect affordable Mobile Notary services. The company, based in Jacksonville, Florida, guarantees competitive rates for its mobile notary services.

According to them, mobile notaries provide exceptional service compared to traditional notarial services. Clients no longer need to take time off work to find a reliable notary service. Instead, they can visit their clients to complete the notarization. They go where the client is, whether that is in the client's house, a hospital, a nursing home, a coffee shop, or an event venue.

"We offer licensed and experienced notary publics who can fit your desired schedule for a competitive rate," the company states.

As certified mobile notaries, they can provide the same level of service and have the same qualifications and training. In addition, they have a history of providing exceptional customer service and professionalism, thus ensuring that all crucial documents are signed without the risk of fraud.

In addition to mobile notaries, Rainbow Notary and Nuptials provide remote online notarization, allowing them to notarize documents for clients regardless of location. With this innovation, customers and companies can expedite necessary transactions.

Rainbow Notary and Nuptials allows clients to sign documents using a smartphone, tablet, or computer from anywhere in the world and send them to Rainbow Notary and Nuptials. The notary delivers the documents to the Florida Secretary of State the same day and returns them to the customers. Furthermore, Rainbow Notary and Nuptials ensures the legitimacy of documents they notarize remotely.

They utilize a remote online notary platform with KBA, or Knowledge-Based Authentication, which verifies the signer's identity through a license or passport scan. As the Best Notary Services in Jacksonville, they have notarized real estate closings, financial transactions, and brokerage modifications.

Since launching its remote internet notarization service in 2020, the Florida-based company has served many clients. Rainbow Notary and Nuptials says they have licensed notary public serving the Jacksonville area, including Selecia Young-Jones, Beth Briand, Glenn Guiler, Shevonne Cooke, Ashlea Joplin, Kornika King, and David A. Baumann.

In addition to Jacksonville, they offer remote notarization services in Daytona and Treasure Coast, North Central Florida, Central Florida, Capitol City, Miami, St. Petersburg, Sarasota, and Tampa. Every service they offer includes a free consultation.
