

Fix-It Right Plumbing Expands into Geelong With New Factory

November 30, 2022

Breakwater, Victoria - November 30, 2022 - PRESSADVANTAGE -

Australian plumbing and maintenance company Fix-It Right Plumbing is expanding across Geelong with a new factory. While the company has serviced Geelong for years, Fix-It Right Plumbing is expanding to a new factory located at 21/3 Dyson Ct, Breakwater VIC 3219, Australia.

Geelong, Victoria's second-largest city, is the nation's second fastest-growing-metropolitan. With an increasingly large population to serve, Fix-It Right Plumbing is amping up its operations to better meet the needs of Geelong citizens from Newcomb and St. Albans to Highton, Belmont, Newton, North Geelong, Lara, and Corio.

"I just wanted to express my gratitude towards Jarryd from Fix It-Right Plumbing Geelong for coming out of his way early this morning in this terrible storm to visit my concern for a suspected drain blockage which I thought I had," said recent customer Kasey F. "He was honest and transparent with me the whole time with no call out fees or no pressure to go ahead with the diagnosis. He even walked through my house to check if everything else was draining effectively."

Geelong customers have also praised the company's professionalism and responsiveness. "Working with Jarryd & the team at Fix-It Right have not been better," said recent customer Mark W. "From the initial phone call explaining my required repairs, the level of service was outstanding. Very friendly, polite, and professional. Upon site inspection all required works and costs were up front and explained in detail with great communication during the works & follow up check in."

In 2022, the company expanded its operations and services areas in South Australia and Victoria. The company has also invested in the specialized training of its technicians in certain critical service areas and reached milestones in positive online reviews. Through its expansion, the company's loyal customers have praised its plumbing technicians for their professionalism, punctuality, responsiveness, and quality of work.

Recent customer V.K. stated, "Fantastic service! Was able to get an appointment within a very reasonable time frame. Jarryd came out and was on time, professional and very competent. The work was carried out expertly and I'm very pleased with the results. Grateful to have found an excellent plumbing service and will definitely be using them in the future."

Since the beginning of their business and throughout the COVID-19 pandemic, Fix-It Right Plumbing has focused on delivering top-quality service to customers while upholding the strict and comprehensive regulations needed to keep staff and customers as safe as possible. This consistent attention to detail, high-quality service, and continued adaptability and flexibility has allowed Fix-It Right Plumbing to increase brand trust and earn the loyalty of thousands of customers across Australia.

"If you have a plumbing problem in your home or business that just can't wait, call Geelong's plumbing professionals," the company states. "Because we arrive in our custom plumbing trucks, we have all the right parts on board to ensure we can fix your plumbing issue on the spot which not only saves you time and money but can also save your home or business from damage."

For residents of Geelong, Fix-It Right Plumbing can clear blocked drains, create hot water access, fix burst pipes, and detect leaks, dripping taps, and gas leaks. The Geelong plumber offers upfront pricing, professional service from a team of qualified and experienced plumbers, friendly and efficient service, and flexible payment options to help one's home remain functioning and comfortable at all times. With consistent attention to detail, high-quality service, and top-of-the-line equipment, Fix-It Right will continue to prioritize the needs of thousands of customers across Southern Australia.
