Locally owned waste disposal business 316 Waste Solutions provides a variety of industry-grade roll-off container options for residential and commercial clientele. The company regularly partners with homeowners, property managers, contractors, and businesses seeking driveway-friendly, easy-to-load open-top bins, and junk removal services. Interested parties are encouraged to visit the company website to schedule delivery online or learn more about the company's waste removal options.

Dumpster rentals are utilized for a wide range of waste removal efforts to support both residential and commercial goals, including repairs, renovations, developments, demolitions, and general cleanouts or maintenance. "We're confident customers seeking waste disposal support with any goal in mind will find the perfect solution with our team," Co-owner Lori Williamson said, "Whatever your short or long-term needs are, our team has the options and services that will help you clear the waste in no time."

316 Waste Solutions carries three container sizes, including 15, 20, and 25-yard options. According to the company website, the 15-yard option is often utilized for residential projects like downsizing, garage cleanouts, minor repairs, or flooring removal. This size measures 16' long by 8' wide by 4' high and begins at \$239.95 for a single-day rental, including 1.5 tons (or 3,000 pounds) of waste disposal. The unit is available for \$289.95 for a 3-day rental, \$319.95 for a 7-day rental, and \$199.95 for a 60-minute drop and load. Additional days and extra weight are available for purchase at \$40 per 24 hours and \$100 per ton.

The 20-yard container is used for landscaping efforts, single-room renovations, or general office park cleanouts, among other projects. This bin measures 16' long by 8' wide by 6' high and begins at \$299.95 for a single-day rental, including two tons of waste disposal (or 4,000 pounds). This bin is also available for \$329.95 for a 3-day rental, \$349.95 for a 7-day rental, or \$249.95 for a 60-minute drop and load. Additional days and extra weight are available for purchase at \$40 per 24 hours and \$100 per ton. Long-term rentals are available for this size beginning at \$399.95 for 14 days. Each additional day for long-term rentals is \$12 per day. The company requires at least one haul within a 30-day period. If there is no haul within that time frame, an additional \$275 inactivity fee will be applied.

The 25-yard container, the largest available size, is often used for a range of commercial waste removal projects, including housing additions, driveway demolitions, commercial roofing replacements, and more. This bin measures 16' long by 8' wide by 7' high and begins at \$399.95 for a single-day rental, including three tons (or 6,000 pounds) of waste disposal. This size is also available for \$409.95 for a 3-day rental, \$429.95 for a 7-day rental, or \$349.95 for a 60-minute drop and load. Additional days and extra weight are available for purchase at \$40 per 24 hours and \$100 per ton. Long-term rentals are available for this size beginning at \$399.95 for 14 days. Each additional day for long-term rentals is \$12 per day. The company requires at least one haul within a 30-day period. If there is no haul within that time frame, an additional \$275 inactivity fee will be applied.

The company offers delivery to Wichita and surrounding areas, including Valley Center, Park City, Maize, and Haysville and other outlying cities. 316 Waste Solutions has received many positive reviews published on its official Google listing. Customers note how easy it is to book with the company and that they will use its services in the future.

One happy customer remarked on how easy it was to book online. Kadin Zimmerman said, "Used 316 Waste Solutions for a dumpster for our master bathroom demo. It was perfect, showed up early and had it over the weekend. Great to support locally owned businesses and the process of booking & paying online was the best. (Better than any of the other dumpster places) Prices all online and you don't have to call to inquire. They really have a good setup going, I will absolutely use them again when we demo the kitchen! Thanks!?"

Additional reviews can be viewed on the company's Google business page. Those seeking reliable dumpster rental and junk removal services are encouraged to visit the company website to book online or to contact the 316 Waste Solutions staff via phone or email.
