Bling! Premier Lighting is pleased to announce that they are offering world class outdoor lighting in Portland, Maine. These outdoor lighting services are of different kinds: holiday lighting, landscape and patio lighting, permanent lighting, event lighting, and commercial lighting. They have a team of outdoor lighting specialists who will help homeowners and property owners in finding the perfect look and feel for the home or event. They apply computer-based lighting technology to provide a useful visualization of the outdoor lighting project, which takes into account even to the most minute details.

A spokesperson for Bling! in Portland says, "Our Portland Maine lighting specialists and design team are eager to help bring your lighting project to life - from design to installation, to ongoing support, Bling! is your trusted lighting partner and will be with you every step of the way. We use professional grade lighting products and technology that not only makes your home, business or event shine, but keeps the lights on longer, brighter, and more efficient. Our lighting fixtures and bulbs are designed to withstand even the worst of Portland, Maine's weather."

Their holiday lighting services can be used for: Christmas; Valentine's day; Halloween; Hanukkah; Fourth of

July; and more. They offer a full-service rental for holiday outdoor lighting that includes design, installation, maintenance, and take down and storage. Clients can select from a number of pre-designed packages or they can collaborate with the lighting design expert online or in-person to custom-fit the look and feel of the lighting design for their home or building. They always ensure world class service, from design to installation to take down. The professional grade lighting products used are twice as bright as standard lighting products, and they are assured to be durable and tough and can withstand harsh weather conditions.

For landscape lighting, Blingle Premier Lighting offers the best lighting products and designs for porches, decks, patios, gazebos, uplighting, bar/ restaurant outdoor spaces, outdoor pools, and pathway lights. Clients can work closely with the Blingle lighting experts in coming up with a landscape lighting design that considers both functionality and aesthetics.

For event lighting, Blingle can help design the suitable lighting for the event, such as: weddings, grand openings parties, corporate parties, pride month, fundraisers, mitzvah, graduations, and more.

They can also provide the most suitable design for permanent lighting for a home, such as patio lighting, roofline lighting, gazebo lighting, deck lighting, and more. Their permanent lighting technology is provided with RGB capabilities, which means there are millions of light color choices, allowing for unique designs for each particular customer.

And they also offer commercial lighting design services. These include: commercial outdoor lighting; commercial Christmas lighting design and installation; commercial event lighting; outdoor lighting for municipalities; commercial landscape lighting; commercial patio lighting; and more.

Established by Mike Marlow, Blingle benefits from Mike's 20+ years of experience of offering memorable holiday experiences. What began as some holiday fun and experience for Mike turned into a full-fledged business that doubled in growth, year after year. And they have always specialized on ensuring that customers have a great and memorable holiday or entertainment experience. Their team of lighting design experts are capable of coming up with creative and attractive outdoor lighting designs for both residential homes and commercial buildings for whatever purpose, whether it is for entertainment or the holidays or for enhancing the landscape. They have provided high quality outdoor lighting for thousands of companies and homeowners for more than 20 years. Their Portland office offers services in Portland, ME, including Acton, Alfred, Berwick, Biddeford, Brunswick, Cape Neddick, Kittery, Lewiston, and York.

Currently, they have an overall rating of 5.0 out of 5 stars on Google. In one of their recent five star reviews, Jeffrey M. said, "Wow! These guys are great. I normally don't write reviews, but I'm really happy with how my lights turned out. The initial consultation was great; no pressure, no rushing, just sitting down and going through options. The price was fair; much lower than the other estimate I got. And the app is easy to use

(even for an old bird like me). I'll use them again for my niece's birthday party in the spring.?

Those who are interested in Portland Maine's premier outdoor lighting company can visit the Bingle Premier Lighting website or contact them on the phone or through email. They are open from 8:00 am to 6:00 pm, from Monday to Saturday.
