

Sunshine Coast Conveyancer Extends Operating Hours

December 07, 2022

December 07, 2022 -
South East QLD-based conveyancing firm LEAD Conveyancing Sunshine Coast decided to expand their service hours until the weekend to assist more clients in the coming months. This decision stemmed from their recognition of the sudden increase in the city's number of property sellers and buyers. For more information about LEAD Conveyancing Sunshine Coast, visit their official website.

The conveyancing company noticed that their daily transactions doubled in the past months. Before, they only had 15 to 20 daily transactions. Now, they assist 20 to 40 clients daily, a sudden change challenging to adjust to if they stick to their usual operating hours. The only solution they have for now is to work on Saturdays and Sundays to ensure that they still deliver quality service despite the sudden change.

Senior Lawyer of LEAD Conveyancing Sunshine Coast, Kristy Fletcher, stated that they see their current situation as a blessing more than a burden. ?Are we sad because some of us need to go to the office even on the weekend? No. Each of us loves our profession and has a burning desire to help people with their property conveyancing needs. We see the situation as an opportunity to hone our conveyancing skills instead. This increase in a client we need to serve is the perfect time to put our knowledge to the test and see

if we will not get confused when dealing with multiple people. It is a once-in-a-lifetime chance to grow mentally and professionally.?

Before the company?s new service hours, they operate on weekdays from 7:30 in the morning to 8:30 in the evening. The operating hours every weekend is the same as their work hours every weekday. Apart from office hours, they always have a 24-hour online service hour to serve people as quickly and efficiently as possible. Their dedication to helping people is evident in the time they spend on their work.
