NYC Divorce Lawyer Ryan Besinque Explains the Reasons Why a Spouse May Drag Out a Divorce

December 01, 2022

December 01, 2022 -
NYC divorce lawyer Ryan Besinque (https://www.besinquelaw.com/how-to-drag-out-a-divorce/) releases a new article explaining the reasons why a spouse may drag out a divorce. The lawyer mentions that divorce is seldom a friendly transaction, even if it is uncontested. When one party is reluctant to go through with the divorce, is bitter about it, or when they are trying to buy more time to manipulate things, stalling a divorce can happen.

According to the NYC divorce lawyer, ?Dragging out a divorce is not only unfair and manipulative, it usually ends up being emotionally and financially draining for everyone involved. Spouses often use unfair tactics in divorces. Sometimes it is a matter of revenge, or if one spouse doesn't want the divorce and is hoping that the other spouse will change their mind.?

The lawyer explains that there are cases where one spouse may not like the terms being offered to them in matters such as child support and alimony. There are also situations where one spouse is trying to hide assets. These are only a few reasons why a divorce may be stalled.

Attorney Ryan Besinque says that the reasons for stalling a divorce usually fall into one of three categories. First is that one spouse may not want or did not expect the divorce. Another is one where the spouse feels angry or resentful, and the last one is where one spouse is not motivated by financial reasons for delaying the divorce.

In the article, attorney Ryan Besinque adds that some spouses use other tactics to stall a divorce. Some of the warning signs to look for are when a spouse keeps rescheduling the meetings, the other spouse avoids service of the court documents, fails to sign the documents, makes false accusations, frequently changes lawyers, and files useless motions in court.

According to the divorce attorney, ?While divorce often just takes time, feeling stalled by your soon-to-be ex-spouse is never a good way to begin your new chapter. While there is no deadline for a divorce, you don?t have to sit around and wait for an uncooperative spouse. You may have legal options available to you.?

Lastly, attorney Ryan Besinque emphasizes the importance of having a skilled divorce lawyer when it comes to matters such as stalling a divorce. Having an attorney may be able to help the client understand their rights and guide them in making the right decision.
