Hook Company, a locally owned and family-operated waste removal service provider, offers convenient online payment options for customers who utilize its Citrus County trash services. The staff encourages interested parties to visit its official website to learn more about the company, sign up for residential trash removal services, and view available service areas.

The all-inclusive waste management company offers total trash pickup services, including weekly trash pickup, one-time garbage removal, junk hauling, construction debris removal, appliance removal, renovation waste removal, and more. The company offers residential garbage pickup across Citrus County, including Floral City, Inverness Highlands North, Inverness Highlands South, Inverness, and Hernando. The company also offers pickup in Sumter County, including the communities of Bushnell, Center Hill, Lake Panasoffkee, Webster, and Sumterville.

For new or existing customers, Hook Company provides convenient online payment options. Those

interested in paying their bills online can navigate to the official company website, click the red ?Pay Your Bill? button in the upper right corner, register or sign in to their account to view the available balance, and pay using the secure online system.

Owner Justin Bentley founded the company in 1991 with the goal of providing a cost-effective and simple method for residents of Citrus County to have any unwanted junk, waste, or general garbage removed on a short or long-term basis. ?Whatever your needs are for waste removal in the area, our team is available to answer any questions, help you sign up for your digital portal to access payment easily, and ensure you have a positive experience working with our locally owned business from start to finish,? Justin said.

The company has built a state-of-the-art website, allowing customers to create an online portal, view their available balance, and communicate with the staff from their smartphone, laptop, PC, or tablet. While the company specializes in weekly residential pickup, it is equipped to haul away waste produced from a range of sources and projects, including construction sites, hoarding cleanouts, foreclosures, demolitions, office park cleanouts, and more.

Hook Company has earned a positive online reputation and currently holds a 5 out of 5 star rating on its official Google business listing with 40 reviews as of the publication of this press release. Customers remark on the company?s friendly service, convenient pick-up options, and reliability of the staff. Satisfied long-term customer Hannah said, ?I have been a long-time customer of Hook Garbage Company for many years now! I have had nothing but positive, pleasant interactions with the drivers, workers, and office personnel. Their rates are extremely reasonable. If you're looking for exceptional, above and beyond, helpful trash pickup services, LOOK NO FURTHER! Most certainly would recommend.?

Another 5-star review recommends the company?s services and commends the staff for being helpful and responsible. Susan Lancto said, ?We have been with them for 8 years. I definitely recommend using their services. They are courteous and helpful, both the lady in the office and the man on the route (Derrick). They will go above and beyond to be helpful.?

Kat Woman, who utilized the company?s junk removal services, left a 5-star review noting that she has utilized the company?s residential services for years. She said, ?I have had garbage pick up for years with great service! Had an ever growing junk pile and they were great with everything!?

Those interested in learning more about the company, registering for residential trash pick-up, or creating an online account to pay bills are encouraged to visit the company website. The staff can also be reached via phone or email.
