Residential and commercial services for fertilization include: fertilization packages; aeration; overseeding; soil amendment/ topdressing; grub control application; weed control;

nutsedge control; crabgrass control; vegetation control; lawn disease control; armyworm control; and bed weeds control/ maintenance. Residential and commercial services for irrigation include: irrigation packages; irrigation turn on; irrigation inspection; irrigation repair; drip irrigation repair; mid season inspection; winterization; backflow testing; sprinkler repair; system upgrade; and controller upgrade.

And for the environment, they also offer residential and commercial services for eco-conscious law conservation. These include: pet waste packages; monthly service; bi - weekly service; weekly service; 1 - time service; Doody deodoriser plus brown patch treatment; and brown spot repair.

There are three ways to get an estimate for a particular lawn care project. First is the instant estimate, which can be obtained online through their lawn legend software. Using the software, the homeowner or property owner will highlight the area of the lawn that requires servicing and indicate any details for the specific lawn project and their AI software will provide an instant quote. The second way is through on-site consultation. One of their certified Lawn Care Heroes will visit the home of the client or business and conduct a personalized assessment of the outdoor space and then provide information and pricing based on the client's requirements and goals for the lawn. The third way is over the phone. Clients can talk to one of their live Lawn Lieutenants on the phone to determine the client's specific needs and develop a plan. Clients can also request for one of the Lieutenants to visit the client's home or business for an in-person consultation.

There are several factors that differentiate Heroes Lawn Care from similar service providers in Austin and surrounding areas. First is their use of environmentally responsible products and solutions that protect the lawn and its surroundings. Second, they provide world class service that gets rid of all the hassle for the client in taking care of the lawn. And finally, they provide professionally trained lawn care experts and on-the-job

quality assurance.

That their lawn care services are top of the line is evidenced by the highly positive testimonials they have been receiving from customers. For instance, Spencer has given them a five star rating and said, "Heroes has handled both my irrigation system and fertilizer needs for my backyard. They've been very responsive, knowledgeable and overall great to work with."

Heroes Lawn Care in Austin, TX, is owned by Micah Burgess, a UNL graduate and two-time national qualifier in wrestling. His professional experience includes being a leading salesperson in vector marketing in Naperville, IL, and launching several businesses in marketing, rentals, flipping homes, and Airbnbs. He has moved to Austin since June 2022 and enjoys the atmosphere and free spirit of the residents of Austin. Heroes Lawn Care was founded by Mike Marlow and Taylor Olberding where Mike applied his business expertise and Taylor used his hands-on experience and degree in turf management. Aside from Austin, they also serve other areas in Texas, such as: South Austin, Buda, Del Valle, Driftwood, Dripping Springs, Kyle, and Manchaca.

Micah Burgess says, "Being an active presence within our community and pushing programs centered around eco-friendly sustainability and support for local troops and veterans is part of what makes Heroes a stand-out community leader. It is our aim to provide assistance to local community events, charities, and more in the hopes that we make our neighborhoods a little safer, our future's a little brighter, and provide our friends and family with an abundance of opportunities for communal growth."
