December 09, 2022 -

Locally-owned waste disposal company Resource Dumpster offers 5-star rated residential dumpster services in DeKalb IL to help support a range of renovation, repair, and cleanout projects. Dumpster rentals offer a convenient and effective solution for managing waste during a home renovation or large-scale cleanup project. The company works with homeowners and contractors working on residential projects to help properly dispose of debris and keep work sites clean and organized.

Factors to consider when selecting a dumpster rental company include the size and type of dumpster available, the rental period, and the cost. Resource Dumpster provides a range of size options, from 10-yard dumpsters suitable for a small cleanup project to larger 20-yard dumpsters for major renovations. The company offers options that are large enough to accommodate all waste removal needs, including garage cleanouts, roofing repairs, landscaping, sidewalk demolitions, kitchen renovations, flooring removal, hoarding cleanouts, estate sale preparation, bathroom remodels, cabinet replacements, and other projects.

Owner Richard McDonald founded his company with the goal of providing convenient and cost-effective options for homeowners in DeKalb and surrounding areas. ?We know how costly and time-consuming residential projects like remodels and renovations can be, so it?s our mission to provide top-notch service, on-time delivery, and convenient scheduling options so that our customers can focus on the task at hand,? Richard said. ?Work with our team of dumpster pros and rest assured that your waste will be hauled away safely and efficiently.?

The three container sizes available from Resource Dumpster are 10, 15, and 20 yards. The 10-yard costs $370 for up to seven days of rental time with one ton of waste disposal included in the base price. It is 3.5' high by 7.5' wide by 14' long. Additional days and weight can be purchased for $15 per day and $60 per extra ton. The base price for the 15-yard, which has dimensions of 4.5' high by 7.5' wide by 14' long, starts at $400 for up to seven days of rental time and includes two tons of waste disposal. It costs $15 per day and $60 for each additional ton of weight to purchase additional days and weight. The cost of renting the largest container, the 20-yard, which has dimensions of 6 feet high by 7.5 feet wide by 14 feet long, starts at $450 for a period of up to seven days and includes three tons of waste disposal. It costs $15 per day and $60 for each additional ton of weight to purchase additional days and weight.
