For developers and buyers of real estate property, Winkler Real Estate Group has been providing relationship-oriented sales and marketing services for decades. With their many years of first-hand experience, they have a deep comprehension of the difficulties and challenges that developers need to overcome. They help developers optimize their profit, offer consultation on construction and interior design, minimize carrying costs and liability, and establish effective marketing campaigns.

For landlords, their comprehensive property management services can help landlords save on money, time, and stress. They can take care of everything from screening potential tenants to maintenance to ensuring proper payments.

They also offer vacant home management for homeowners who are not yet ready to take up residence in their property or going on a trip. This provides them with peace of mind while they are away from their home. Daniel Winkler says, ?We?ll do regular checks to make sure everything is in order. We?ll check for leaks in toilets, showers and sinks, make sure all windows and doors are locked securely, look for any damage or vandalism, and oversee proper landscaping or other service appointments, as needed. Tell us what you need, and we?ll work with you to customize a plan.?

Founded in 2001 by Daniel Winkler, Winkler Real Estate Group is committed to helping people who are interested in buying, selling, or leasing property in Northern California. Since then, this realtor company, which started with one business manager and one agent, has grown to include more than 30 real estate agents.

Daniel Winkler says, ?We bet our office is the most down-to-earth real estate hub you?ll ever visit. Our relationship-oriented real estate sales and marketing services are built on long-standing community relationships. Exemplary customer service defines us.?
