

New York City Uncontested Divorce Lawyer Martin Mohr Explains What Qualifies a Couple for Uncontested Divorce

December 12, 2022

December 12, 2022 - PRESSADVANTAGE -

New York City uncontested divorce lawyer Martin Mohr (<https://www.newyorkfamilylawgroup.com/uncontested-divorce-lawyer/>) releases a new article explaining what qualifies a couple for an uncontested divorce. The lawyer mentions that one of the most challenging things a couple may have to do during the course of their marriage is going through a divorce. However, not all divorce has to be hard. If the couple is able to agree on the terms of their divorce easily, an uncontested divorce may be a great choice for them.

According to the New York City uncontested divorce lawyer, "An uncontested divorce is when both parties can come to a mutual agreement on all the terms of their divorce without the involvement of the courts. While divorce is never easy, it can be uncontested. Some couples can come together to craft agreements that are fair to both parties. An uncontested divorce can be a more amicable, cost-effective, and less time-consuming solution."

According to the lawyer, an uncontested divorce can be relatively easy if there are no disputes between spouses regarding assets, debts, minor children, and property. If the couple can come to an agreement, even with assets and young children, it is possible to avoid conflict or a long-contested divorce.

Attorney Martin Mohr states that a couple can only get an uncontested divorce in New York if they meet certain requirements. Both parties must also agree to the division of marital assets, and any spousal support, as well as agree to the legal custody of their children.

Even in the friendliest of divorces, coming to these agreements will often involve disagreements and may require skilled negotiation. Having the representation of an experienced attorney for divorce ensures that your best interests are considered while keeping the focus on cooperative negotiation and terms that can be agreed upon by the couple, says attorney Mohr.

Lastly, the lawyer emphasizes the importance of having a skilled family law attorney when dealing with matters such as divorce. A skilled lawyer may be able to help the parents understand their roles and responsibilities in the divorce and help them come to a favorable agreement.
