

Fix-It Right Plumbing Partners with Brighte Finance to Help Australian Homeowners

December 16, 2022

CARRUM DOWNS, VIC - December 16, 2022 - PRESSADVANTAGE -

Melbourne, Australia ?Fix-It Right Plumbing has announced a new partnership with fellow Australian company, Brighte Finance, to better help Australians secure financing for home maintenance needs.

Brighte Finance, headquartered in Sydney, New South Wales, assists Australian vendors to provide sustainable energy financing solutions and energy to their customers. Brighte can help homeowners to access financing for solar systems, battery storage, solar and battery systems, off-grid systems, and home improvements, such as garage doors, energy efficient products, water filtration systems, efficient electric stove tops, electrical upgrades, lighting, guttering, roofing, flooring, window treatments, awnings, fireplaces, heating and cooling solutions, garden and outdoor landscaping, home technology, and plumbing.

Brighte Finance offers excellent rates and transparent fees, simple and accessible customer repayment plans, credit approval within minutes, and speedy payments. Brighte Finance?s mission is to make buying sustainable energy solutions more manageable and affordable for homeowners.

The new partnership between the trusted Australian plumbers and finance company will streamline an otherwise tedious process that homeowners would face in securing funding for their home repair and improvement needs without compromising on time, affordability, or sustainability.

?With a super quick answer to funds, we were able to have our solar [energy] system installed and are now saving so much on our power bill,? said recent customer Jodie J. ?I would highly recommend Brighte to anyone who is looking for a reliable service for the different home improvement loans that they offer.?

Through this new collaborative partnership, Fix-It Right Plumbing customers who work with Brighte Finance will be able to attain a loan for any plumbing work they may need. With a quick application process, customers will be able to access the qualified and professional technicians at Fix-It Right Plumbing to

expedite any maintenance and repair processes.

Fix-It Right Plumbing has remained focused on delivering top-quality service to customers while upholding strict and comprehensive regulations needed to keep staff and customers as safe as possible. This consistent attention to detail, high-quality service, and continued adaptability and flexibility have allowed Fix-It Right Plumbing to increase brand trust and earn the loyalty of thousands of customers across Australia.

Fix-It Right Plumbing can assist with blocked drains, hot water access, burst pipes, leak detection, dripping taps, and gas leaks. The Melbourne-based plumbing company supplies plumbing services in the Melbourne, Geelong, Canberra and Adelaide areas. They offer upfront pricing, service from a team of qualified and experienced plumbers, fully stocked service vans, knowledgeable and helpful service, and flexible payment options to help one's home remain functioning and comfortable at all times.
