Phoenix Treasures LLC, a business in Cape Coral, FL, has launched their new coffee maker in time for Christmas. The cafetiere is considered to be a perfect holiday gift for those who enjoy coffee, as it is designed to create great aroma and flavor. Full details about the product are available on <http://www.amazon.com/dp/B010U4EL0U>.

"Coffee is such a wonderful drink but it has to be created perfectly in order for someone to be able to truly enjoy it," says Robert King from Phoenix Treasures LLC. "Our coffee maker is able to achieve this, allowing both flavors and aroma to be released for the perfectly enjoyable cup. And we guarantee two day shipping, so those who order it now are guaranteed to receive it before Christmas. Plus, it is currently available at a special price."

The Phoenix French press coffee maker is made from heat resistant borosilicate glass. Borosilicate is hailed for its shatter-proof qualities, which means it is completely safe for boiling hot drinks. It comes with a double screen press, which ensures no coffee grounds or other residue can make its way into the coffee. Containing 34 oz, it is suitable for eight small cups or three full mugs of coffee.

Phoenix Treasures, as can be seen on their website on <http://www.phoenixtreasuresllc.com/>, specializes in all things coffee. Besides the coffee maker, they also sell products such as the coffee grinder, for those who want to enjoy a truly fresh cup of coffee, made from their favorite bean. They also focus on quality and customer satisfaction, something that is evident from their many positive reviews. "Great place to get all my coffee needs," says Grant King. "A must for any enthusiast."

Phoenix Treasures also encourage everyone to give their Facebook business page on <https://www.facebook.com/Phoenix-Treasures-LLC-460358727476897> a 'Like'. This will enable people to join in on the conversation on the various Phoenix Treasures products, discussing coffee with other enthusiasts. Additionally, it will ensure that they are kept up to date with new product developments, special offers, discounts and sales.

With the upcoming holiday season, many people feel stuck for original gifts. The Phoenix Treasures French press coffee maker solves this common issue.
