

Sunshine Coast Conveyancing Company Celebrates 20+ Trustpilot Feedback

December 20, 2022

December 20, 2022 -
LEAD Conveyancing Sunshine Coast, a QLD-based conveyancing firm, was happy to announce that they have already garnered more than 20 reviews from Trustpilot, an online review website. The reviews came from all types of firm clients, from property sellers to buyers. For more information about LEAD Conveyancing Sunshine Coast, visit their official website.

As of this writing, the firm already has 23 feedback from previous clients across the Sunshine Coast and other parts of Queensland. The number of reviews is fast-paced, considering that the company registered with Trustpilot just a few months ago. They are also registered with Google My Business, another big online review website. The company would have an overall 78 reviews from people if Trustpilot and GMB combined.

The latest feedback from Trustpilot the company has received came from a client that sold their property. "We have been fortunate to have worked with LEAD Conveyancing to purchase a property and, more recently, to sell our old property. Not having sold or purchased a property for over 30 years, from our initial contact with

Kristy and then working through each transaction with Nicholas, we found this firm the most comprehensive with all the information they provide. They are helpful and willing to explain any questions or issues we had during each transaction. A recommendable company to everyone."

Kristy Fletcher, one of the firm's Senior Lawyers & Solicitor, described her colleagues' reactions. "When we discovered that we have already exceeded 20 feedback from Trustpilot, we were joyful and amazed because it has only been a few months since we signed up to the platform. In addition, most of the feedback praised and commended our work output, making us proud of ourselves at that moment. We take pride in always doing the right thing, and knowing that it paid off is a great feeling. We are hoping that the positive feedback will keep going."
