December 28, 2022 -
SJ Winn Construction, regarded by many as the most reliable and trustworthy roofer in Torrington, CT, has received another glowing 5-star review from a satisfied customer.

The roofing contractor, known all over Torrington for its friendly customer service and high-quality work, now has an impressive rating of 4.8 out of 5.0 from over 50 reviews on its Google My Business profile. The reviews praise the professionalism of its roofers, its ability to work seamlessly with insurance companies, its dedication to sticking to the promised deadlines, and the meticulousness with which its roofers clean the worksite after they are done.

The highlighted 5-star review, posted by Google user Melissa Ferrucci, says, ?Scott and his crew were amazing to work with. We went to him with a vision, and he helped to make our vision a reality. SJ Winn Construction assisted us with every step of building our house from the ground up! They were professional, meticulous, and hardworking! I would highly recommend them to anyone!?

The spokesperson for the company, owner Scott Winn responded to the SJ Winn Construction customer

review by saying, ?The client was a pleasure to work with because they had a clear understanding from the get-go about how they wanted their roof to turn out. We love working with such customers because they clearly share our passion for roofing. It thrills us when we finish the job, exactly as per their specifications, within time, and leave them thoroughly impressed with our technical expertise trade. Even if you don?t fit into this category and are unaware of the roofing options available to you, don?t worry. Our helpful staff has an intimate knowledge of the climate and architecture in New England. They will first understand your property?s unique roofing challenges and then recommend the perfect solution that not only fulfills your needs but also fits within your budget. So, if you are searching for the best roofing contractor in Torrington to work with, look no further than SJ Winn Construction. If you are still not convinced, head over to our Google My Business profile to view Melissa?s review and the dozens of other testimonials from real customers passionately vouching for us.?

SJ Winn Construction is a GAF-Certified contractor, an industry distinction that validates the quality of its services and allows the company to offer premium materials along with warranties that are not readily available to most other roofers. The company?s roofing services include roof inspection, installation, repair, replacement, storm damage restoration, and more. Its experienced roofers can work with all kinds of conventional or rare roofing materials including asphalt shingles, tiles, synthetic slate shingles, and everything in between. The company?s website hosts a gallery of images that document the many challenging roof jobs that it has tackled over the years. It also regularly publishes blog posts that have a ton of useful information for homeowners who want an insight into the different kinds of roofing materials currently available and the best roofing industry practices.

Scott Winn talks about the professional values that guide his company by saying, ?Headquartered in Winsted, we are a local company that understands the importance of building strong relationships with our customers. We are well aware that you can?t succeed without their support. So, if you hire our services, we treat you like you are a part of our family. This means being always available to answer your questions, living up to every promise we make, and treating your property with the care it deserves. It is no wonder then that our customers have reciprocated in kind. They have posted several 5-star reviews on our Google My Business profile commending the quality of our services and they continue to hire us all year round. Our core values of honesty, responsiveness, experience, and craftsmanship quality have truly resonated with the communities in Winsted and Torrington, CT.?
