

Logan Conveyancer Announces 50+ GMB Reviews Milepost

December 21, 2022

December 21, 2022 -
LEAD Conveyancing Logan, a well-established and trusted conveyancing firm based in Queensland, was happy to declare that they have already reached more than 50 feedback from previous satisfied clients on Google My Business, an online customer review website. Reviews came from customers not just residing in Logan but also from across the cities of the state. For more information about LEAD Conveyancing Logan, visit their official website.

The firm personnel was thrilled when they learned on Tuesday that they have already garnered over half a hundred reviews on the well-known business review site. They are thankful that they have finally reached more than 50 reviews in the conveyancing industry after long years. Some of the company staff celebrated by bringing home-made cooked food to the office for their colleagues, while some treat their officemates outside after office hours.

One of the recent feedback came from a client named Kon, who penned a heartfelt review dedicated to Mark,

one of the company?s paralegals. ?I want to give Mark a massive pat on the back and say a big thank you. He guided us through the stressful process with timely advice. He spoke to us and gave us all options. At all times, he knew what was happening. It was easy to work with him, and he is a great representative for LEAD Conveyancing Logan. Thank you so much, Nicholas, for before and Mark, for this latest one. I would recommend you guys to everyone.?

One of the firm's Senior Lawyers and Solicitor, Kristy Fletcher, said that the new achievement inspired them to better themselves for the sake of their future clients. "This recent milestone of ours is an excellent motivation to ensure that we always deliver a quality service to our clients. I believe we will not reach this number if we bring poor performance on every transaction we have, or worst, we will garner unwanted opinions from our disappointed clients. Thanks to our efforts and honed knowledge, I am grateful that it did not happen. I thank my colleagues for always bringing out the best in me, and I hope I also bring the best out in them."

LEAD Conveyancing Logan is a fully licensed conveyancing firm that offers services like buyers' conveyancing, sellers? conveyancing, transfer conveyancing, contract drafting and contract review. Their services can be availed for a fixed price unless the transaction becomes a non-standard contract amid the process. Things like special conditions and additional searches can make a transaction a non-standard contract, which adds more fees aside from what is indicated in the fixed price.

Like other online business review websites, Google My Business (GMB) helps promote a business and boost its sales simultaneously. It is a tool to make one?s business known around the city or country where it is situated. The online platform can convert site visitors into official clients with enough favourable insights from previous clients. For further details about the company?s range of services and operations across Australia, visit the official LEAD Conveyancing Logan website.
