Wilmington NC Car Detailing Company AutoWorX Pro Detailing Announces Service Expansion

December 26, 2022

December 26, 2022 -
AutoworX Pro Detailing, one of the most experienced and highly-rated auto-detailing companies in Wilmington, NC, has announced that it is now expanding its range of detailing services to also include other kinds of vehicles such as boats, RVs, and airplanes.

AutoworX Pro Detailing has over 36 accredited and certified years of industry experience offering all kinds of auto enhancement and protection services. This includes custom interior and exterior detailing, polishing, sanitizing, paint protection film installation, paint correction, window tinting, ceramic coating, diamond shield removal, upholstery repairs, Glassparency treatments, and much more. With the recent broadening in its scope of services, AutoworX Pro Detailing can now detail every type of vehicle imaginable for its clients including cars, SUVs, trucks, boats, RVs, motor coaches, campers, jet skis, motorcycles, and even private aircraft.

AutoworX Pro Detailing also prides itself on using and making available for sale the best aftercare and maintenance products in the detailing industry. It is the only ambassador for Ceramic Pro, the global leader in nanoceramic surface protection, in all of North and South Carolina and the only detailing shop to earn the coveted Ceramic ELITE certification in the world. The company offers several Ceramic Elite packages including Sport, Bronze, Silver, and Gold or Lifetime, for both exterior and interior detailing.

Car owners can rely on AutoworX?s interior and exterior detailing services regardless of the make and model of their vehicle as the company can handle everything from mass-market vehicles to vintage or collector?s edition cars. For the latter more exotic kind of vehicles, which need to be handled extremely carefully, the company offers a door-to-door trailer service that eliminates the risk of damage from transportation. Similarly, to deliver its boat and marine detailing services, the company?s crew can make the journey down to the marina where the boats are anchored.

Mark Johnson, the spokesperson for AutoworX Pro Detailing Wilmington talks about the company?s dedication to quality by saying, ?Whether you are a gearhead who likes your car to be in pristine condition every time that you pull out the driveway or you view your vehicle strictly as a utility, one detailing session with our experts will make you see it in a whole new light. Our trained and experienced detailers know how to really get into those nooks and crannies, flatten out the micro scratches, and bring out the finer details of your car?s design that may have been lost over time due to wear and tear. We achieve this by using the finest-grade products and detailing technology. Coupled with over 3 decades of experience and several industry certifications that validate the quality of our services, it is no wonder that we have a lot of loyal customers in Wilmington and nearby areas such as Wrightsville Beach, Mayfaire, and Porters Neck. With our new boat, RV, and aircraft detailing services, there is no reason for you to rely on anyone else but AutoworX Pro Detailing for maintaining your entire automobile collection. Like I always say, bring us your trust and we will show you, our passion.?

AutoworX Pro Detailing has a perfect 5.0 out of 5.0 rating on its Google Business Profile with reviews praising the professionalism of the Wilmington car detailing company?s staff and the high quality of the work they do, especially given the precision and finesse required for the job. One of the reviews says, ?Just picked up my car and it looks so shiny and new! This place is professional, and clean, and had my car done in a timely manner. The ceramic coating took my dull 2008 Toyota Sequoia to a high-level polish. Definitely recommend it if your old car needs a facelift.?

Readers looking for the best car detailing Wilmington NC has to offer can contact AutoworX Pro Detailing at (910) 228-5051 to request a free quote or visit their website for detailed information.
