

Michael Taggart SEO Services Announce Michael X SEO Press Release Training

March 25, 2015

March 25, 2015 -
Michael X Marketing, an SEO-based marketing firm led by Michael Taggart, has announced their latest endeavor into SEO press release training. The training being offered includes various techniques and methodology used by Michael X, as he is also known, throughout many years in the field of marketing and SEO. His training has helped many new companies achieve up to 7 figures in as short as 12 months.

Every year, Michael X speaks at a number of events regarding subjects, such as the Michael Taggart SEO training, and will be speaking this year at the GKIC 2015 Super Conference. Throughout his years as a public speaker he has provided training to tens of thousands of individuals learning the marketing trade. This includes a number of entrepreneurs, small business startups, and companies that are looking to reinvent themselves online.

SEO training with Michael Taggart includes a number of subjects throughout the SEO industry, but he has made it clear that one of his expertise lies in the field of press release training and press releases with advantage. The skills that Michael X displays in these seminars, webinars, and training modules, come from his 16+ years of working online, creating websites and marketing them. Michael Taggart teaches SEO to

encourage new businesses to achieve higher rankings with Google and other search engines, and to learn the importance of what this means to an e-commerce business. Michael has said the following of his work with press releases and training:

"You know how hard it is to get into national publications like NBC, CBS, ABC and FOX so you can become a celebrity in your field of expertise? I solve this. I do this by utilizing a special "insiders" training website and a unique press release format to guarantee this for any serious professional."

Some of the training techniques can be seen in Michael's various companies which also boast of his talent in the areas of press releases, and promote the press release advantage. As the CEO and Founder of businesses like Adventure Marketing and Rock Steady Inc., he has proven his ability to use SEO for company growth. He has also said this about his work with press releases:

"Using the power of press releases you can build yourself as an authority in any niche, making it easy for new prospective clients or customers to find you every time."

Michael Taggart teaches SEO in a way that seems to incorporate modern publicity practices with the internet. Potential users of Michael's services can view all that are included in SEO training with Michael Taggart by visiting one of his various social media accounts. They can also access Michael Taggart SEO training through one of his company websites.
